TIME seemed insignificant during our high school days, but it played an important part in our lives.

We usually awoke before 7:30, dressed, ate, and arrived at school about 8:00. We lingered in the hall, cafeteria, or auditorium until 8:15. By 8:30 we were in our first period classrooms; the school day was well underway.

At 9:30 we got a five minute break before our next class. The cycle was repeated until the mad scramble after the lunch bell sounded.

Although our lives in high school seemed dull, little did we suspect that someday each second, minute, and HOUR would become our most treasured memories!

ABOUT ADMINISTRATORS

Teachers---the part of A. H. S. we sometimes overlooked---offered us a guiding hand throughout the many hours we spent in high school.

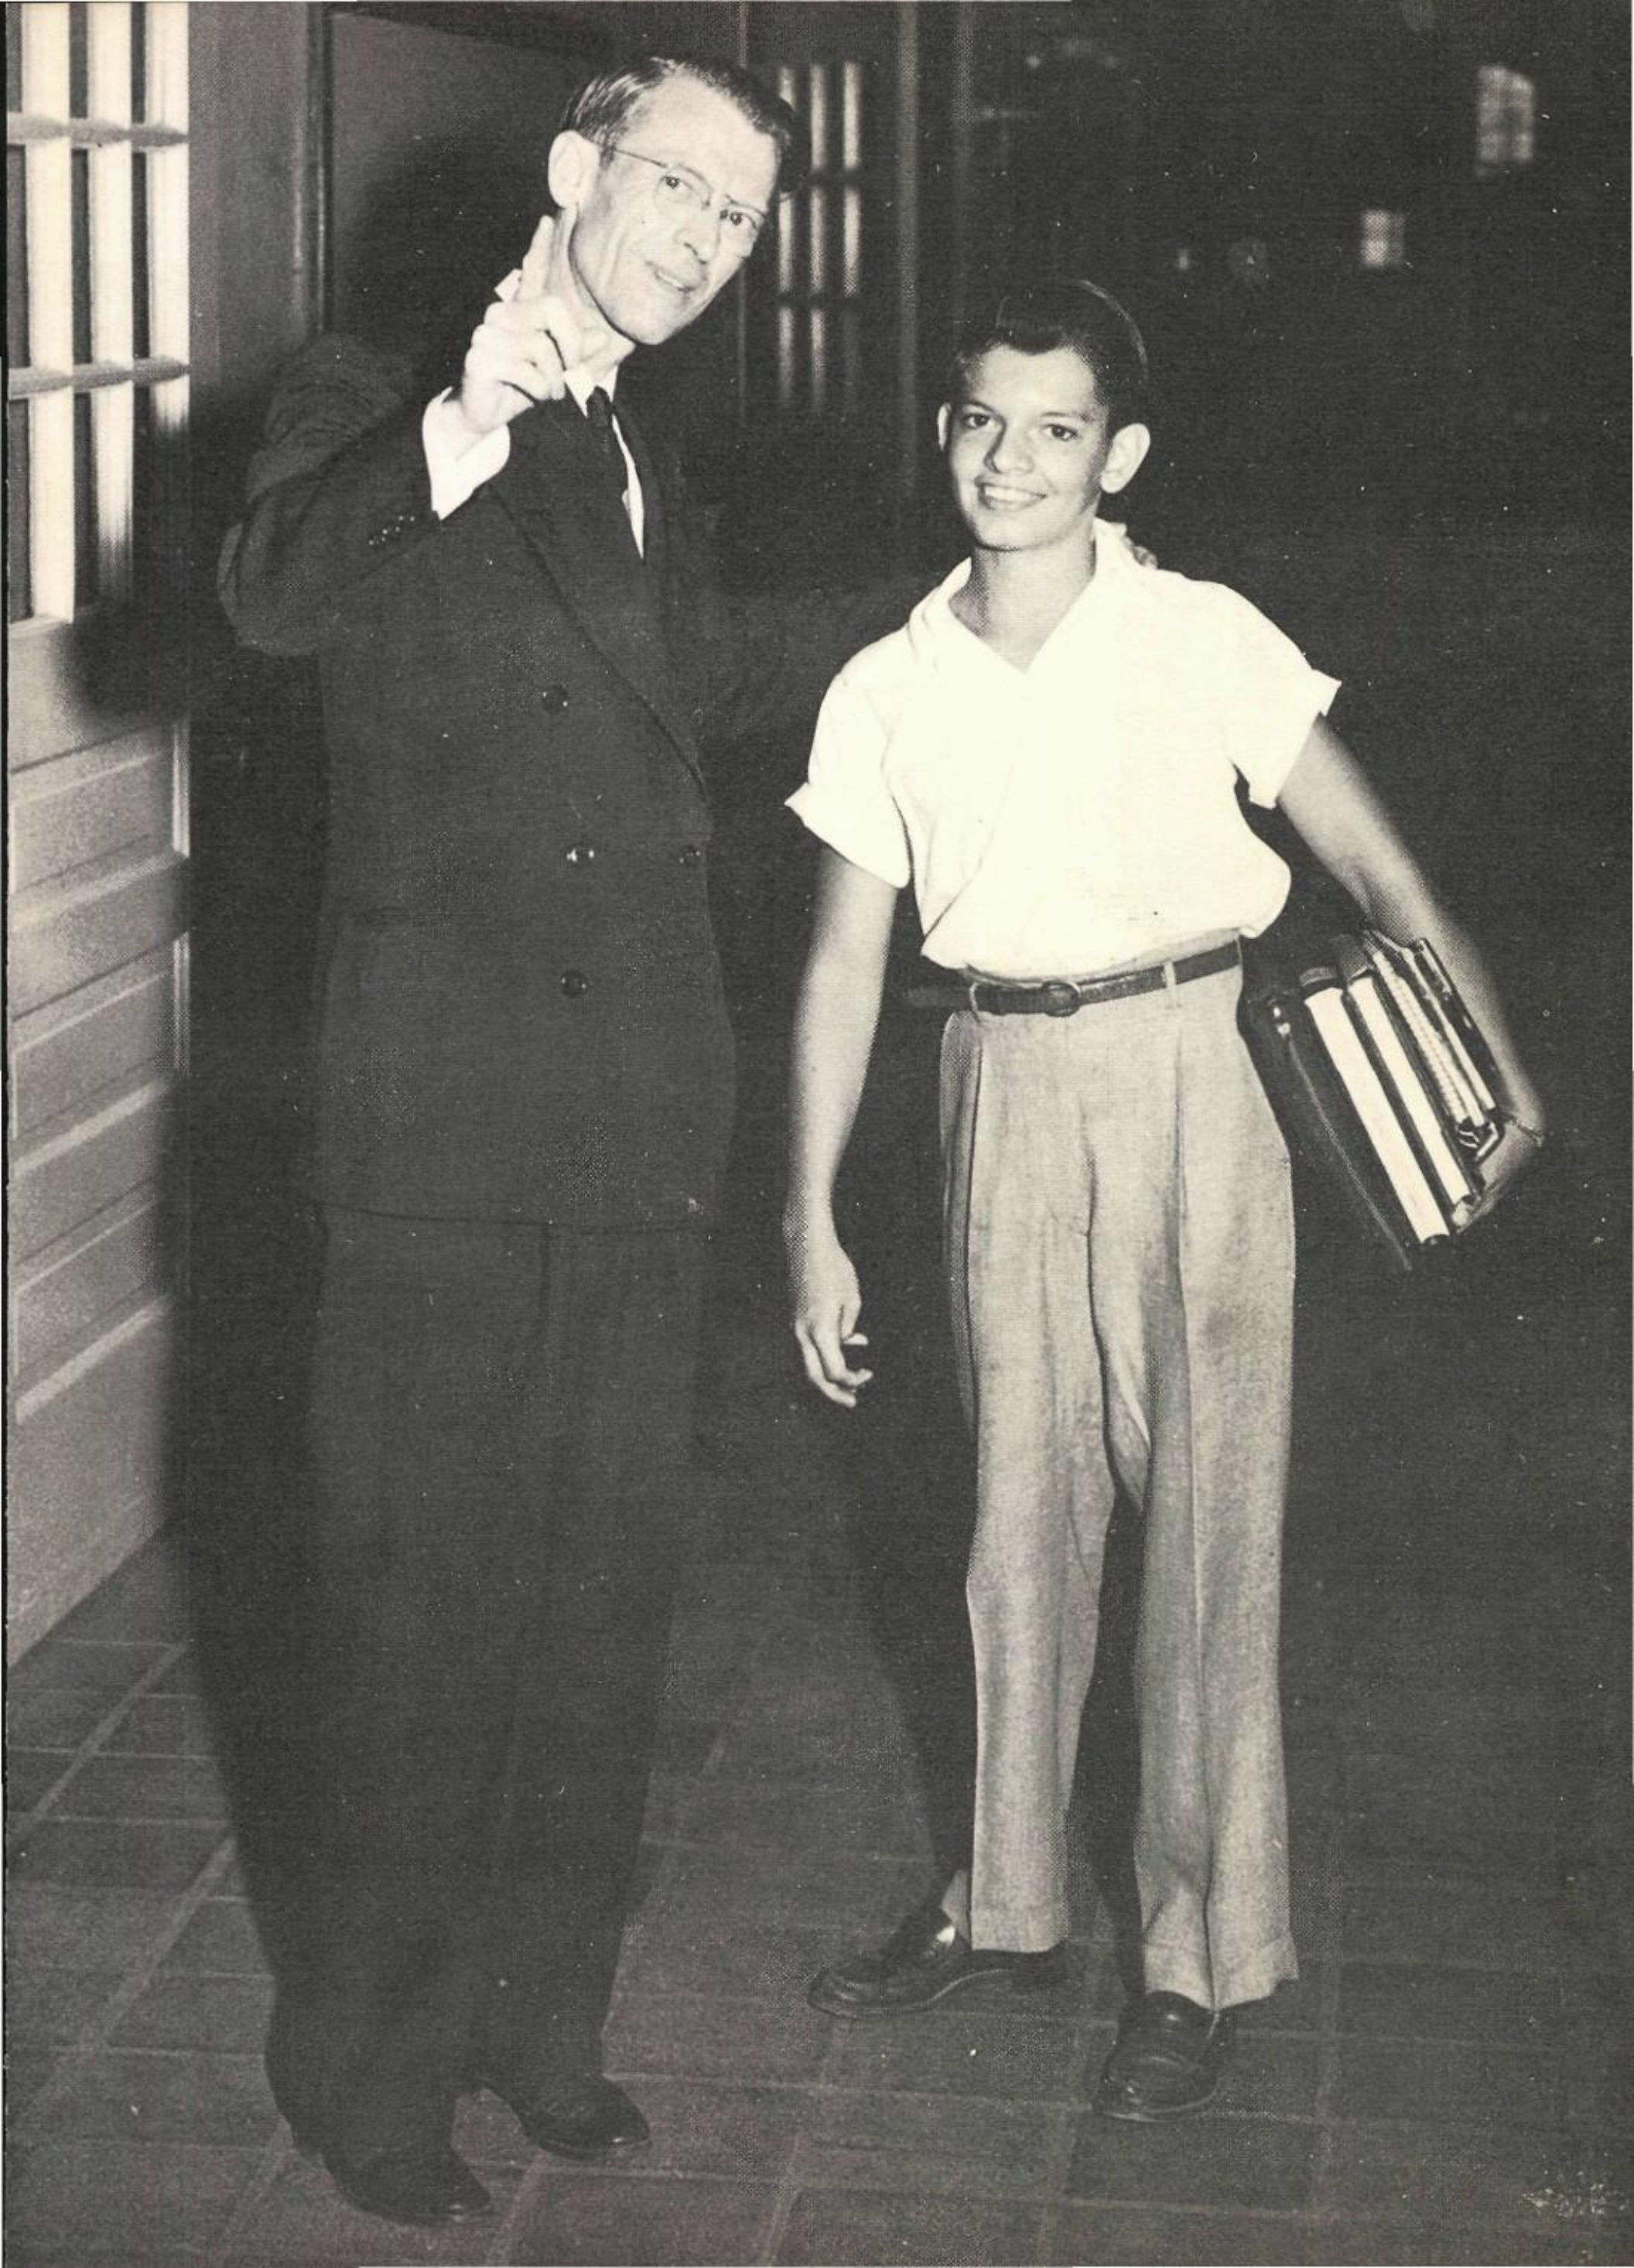

We saw them in school behind the desks or at the blackboards....passing out exams or taking up homework....hearing us recite, prompting us when necessary.

But there was a side of teachers' lives we never saw, apart from the hours at school....gayer days that they enjoyed away from school as much as we did.

Mr. T. P. Baker, curriculum director of the Austin Public Schools, answers the proverbial sophomore question between classes at A. H. S.

PORTRAIT OF OUR PRINCIPAL

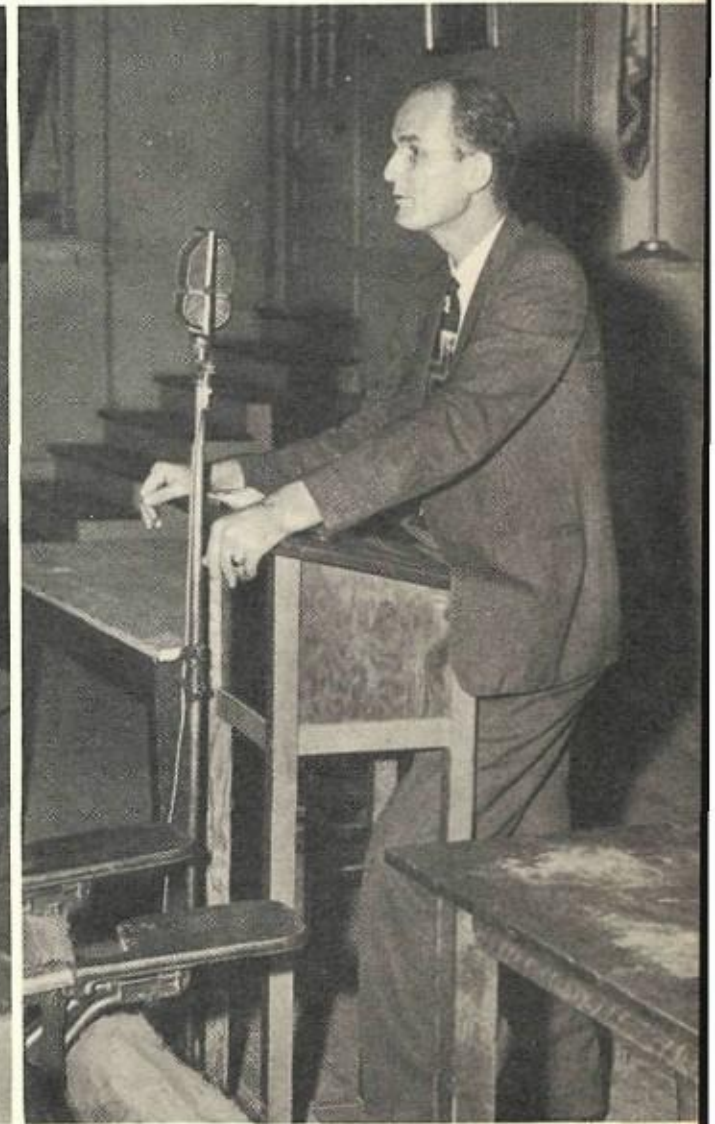

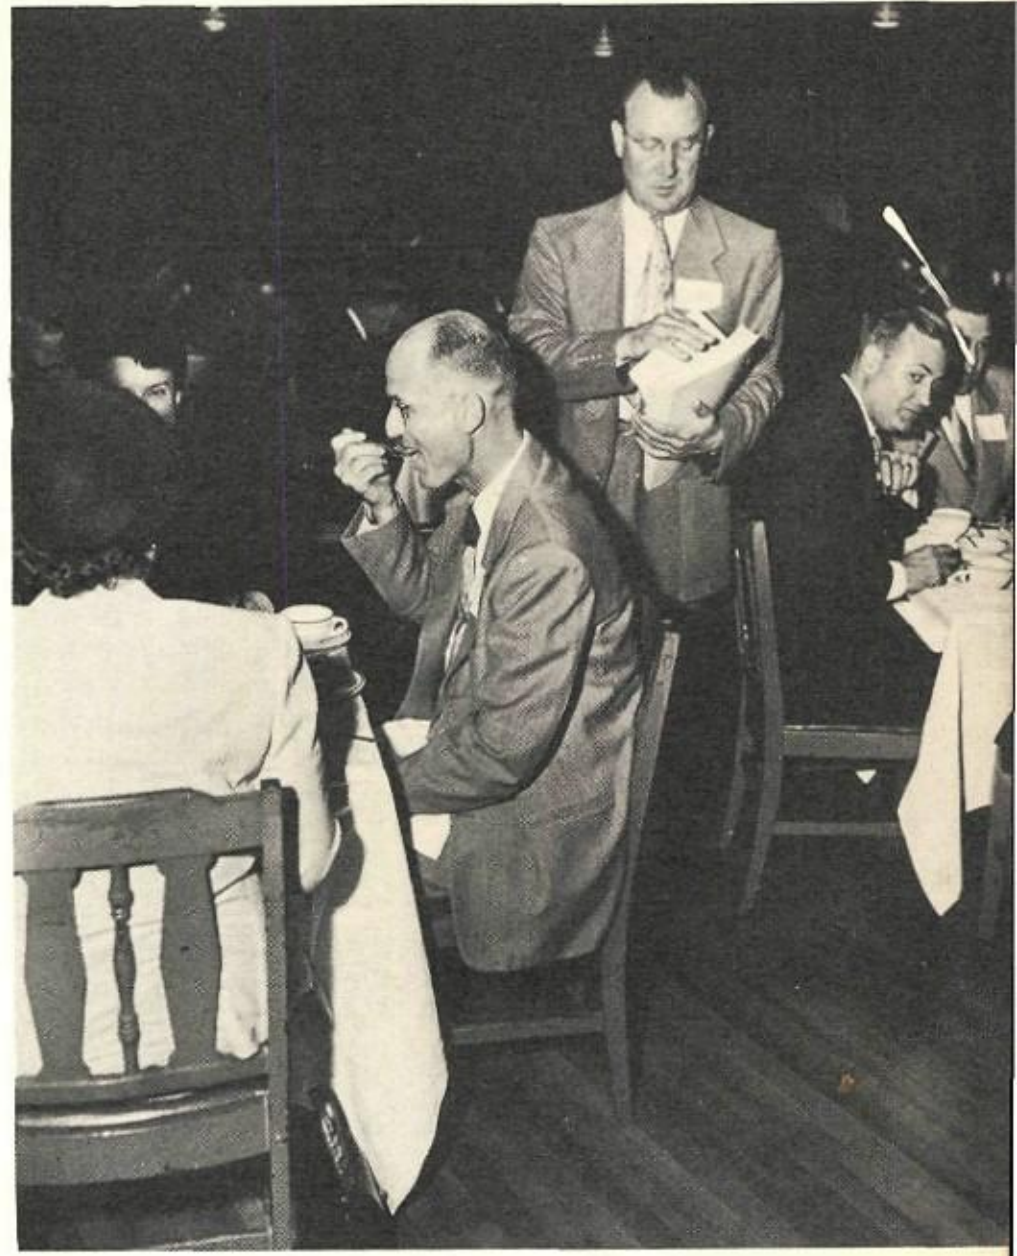

Though his duties are many and his day is crowded with important events, Mr. N. H. Wittner always has time to help a troubled A.H.S.er with a word of advice.

At the faculty banquet Mr. Wittner forgets high school a few moments and relaxes with his associates.

Presiding at a P.T.A. planning panel is just one of Mr. Wittner's time-consuming activities.

At the far right Mr. Wittner, our "man with the smile," discusses a few serious matters with A.H.S. students during an assembly.

Mr. Lipscomb Anderson, vice-principal, Mr. Hollis Moore, dean of boys, and Miss Martha Agnor, dean of girls, look over applications for the Student Council scholarships.

Mr. Anderson, vice-principal, spends a comfortable evening at home with his wife and son, John. He looks forward to spending his time at home after a long, strenuous day at school.

A welcome part of a teacher's day is his off-period when he has a chance to relax and catch his breath. Our busy Dean of Girls and Dean of Boys take advantage of their spare moments at a nearby drug store.

7:30 P. M.---SCHOOL BOARD
MEETING

Mr. Walter Koch, Mr. Irby Car-
ruth, Superintendent of Schools, and
Mr. Fred Nagle look at an education
magazine while waiting for the School
Board meeting to begin.

The regular Board meetings are open to the gen-
eral public and members are often requested to
answer questions of the visitors.

Talking over the agenda for the Board
are Mr. Noble Prentice, Mr. Gus J.
Moos, and Mrs. O. D. Weeks.

Mr. T. N. Porter points out an area
selected for a new high school building
to Mr. Willie Kocurek and Mrs. Hal P.
Bybee.

Turning in banking money from their advisories to Mrs. Pauline Locklin, clerk, are Mary Jane Granath and Tommy Nichols.

Miss Judy Glass, Principal's secretary, and Mrs. Bob McNutt, stenographer, place the morning bulletins in teachers' boxes.

Mrs. Mary Woollett, clerk in the Guidance Office, discusses student choice slips with Mr. Bert Burnes, Director of Guidance and Counselling for the Austin Public Schools.

Mr. Sam L. Martin, industrial director, checks orders for wood-working materials with Mr. J. R. Fraley and Mr. R. S. Davis, industrial education teachers.

Mrs. Kathleen King, assistant registrar, Miss Marjorie Bagley, counselor, and Mrs. Edith Penland, registrar, try to decide which of the Art Department Christmas cards they like best.

Mr. George Hendricks, English teacher, tells Marilyn McBrine, Maroon reporter, about the book he wrote, "The Bad Men of the West."

School isn't over at 3:35 for this industrious group. Miss Bertha Casey conducts a meeting of the language arts department. Pictured are Mr. Guy Bizzell, Mrs. Mary Adkins, Mr. O. C. Smith, Miss Alice Carman, Mrs. Erlene Williams, Mrs. Ella Lanier, and Mrs. Norma Scott.

On her shady terrace Mrs. Edna Boon discusses gardening with Mrs. Mary Edwards, Mrs. Clara Weisser, Mrs. Margaret Cadwalader, Science teachers, and Mrs. Grace Mayne, Mathematics teacher. Mrs. Boon's dog is named Bitsey.

Mrs. Margaret Gregory, famous for her cheerful classroom, shows Mr. Joe Stepan, Mathematics teacher, her new pot plant.

Gardening is the favorite hobby of Mrs. Gloria Brown, Mrs. Janie Somerville, Mrs. Ada Sanderson, Miss Mary Campbell, English teachers, and Mrs. Else Trenckman, German teacher.

Tarzan has nothing on these youngsters, agree Miss Mabel Pitts and Miss Betty Waldvogel, nursery supervisors. Many A.H.S. students got their first experience at baby sitting during their period at the nursery.

Indulging in a bit of dreaming...dreaming up Red Jacket formations...are Miss Corinne Herndon, Red Jacket sponsor, Mrs. Erline Tackett, intramural manager, and Scottie Stevenson.

Books, books, and more books!! Surrounded each day by hundreds of literary works, Mrs. Frances Massie, Mrs. Barbara Johnson, Mrs. Effe Hutto, and Mrs. Helen White, librarians, are checking in a shipment of new books.

Miss Frances Wade, Distributive Education teacher, calls on one of her students at work. The employer assures Miss Wade that Rita Hancock, student, is an efficient worker.

Enjoying a "break" are Miss Evelyn Beniker, school nurse, Mrs. Vera Anderson, study hall supervisor, and Mr. Arthur Peterson, math teacher. The teachers often spend reviving moments between classes in the faculty lounge.

Helping a student after school hours always takes up a lot of time for Mr. Luther Archer and Mr. Oscar Parker, science teachers, but with a student like Ruth Carpenter, WHO would mind? Hmmm---

Cheerfully looking over one of the many music books used by the choral department are Miss Emma Virginia Decherd and Mrs. Judy Baker, choral directors.

The "students' friends," Mrs. A. D. Johnson and Mrs. Lula Williams of the Attendance Office, are shown tacking up the picture of the week selected by the Art Department.

Selecting wallpaper was a simple matter for Mrs. Martha Ragsdale, Health instructor, with the aid of Miss Louise Manigault and Mrs. Hilda J. Scott, Art teacher.

Watching one of the grueling Maroon scrimmages are Mrs. Jane Conley and Miss Margaret Harris, math teachers, Mrs. Katherine Norman, study hall supervisor, and Miss Ruth Knoepfli, social director.

Mr. Ben "Stubby" Lewis and Mr. Frank Guffin take time off after school to referee a junior high football game. Mr. Lewis is a physical education teacher and Mr. Guffin teaches science.

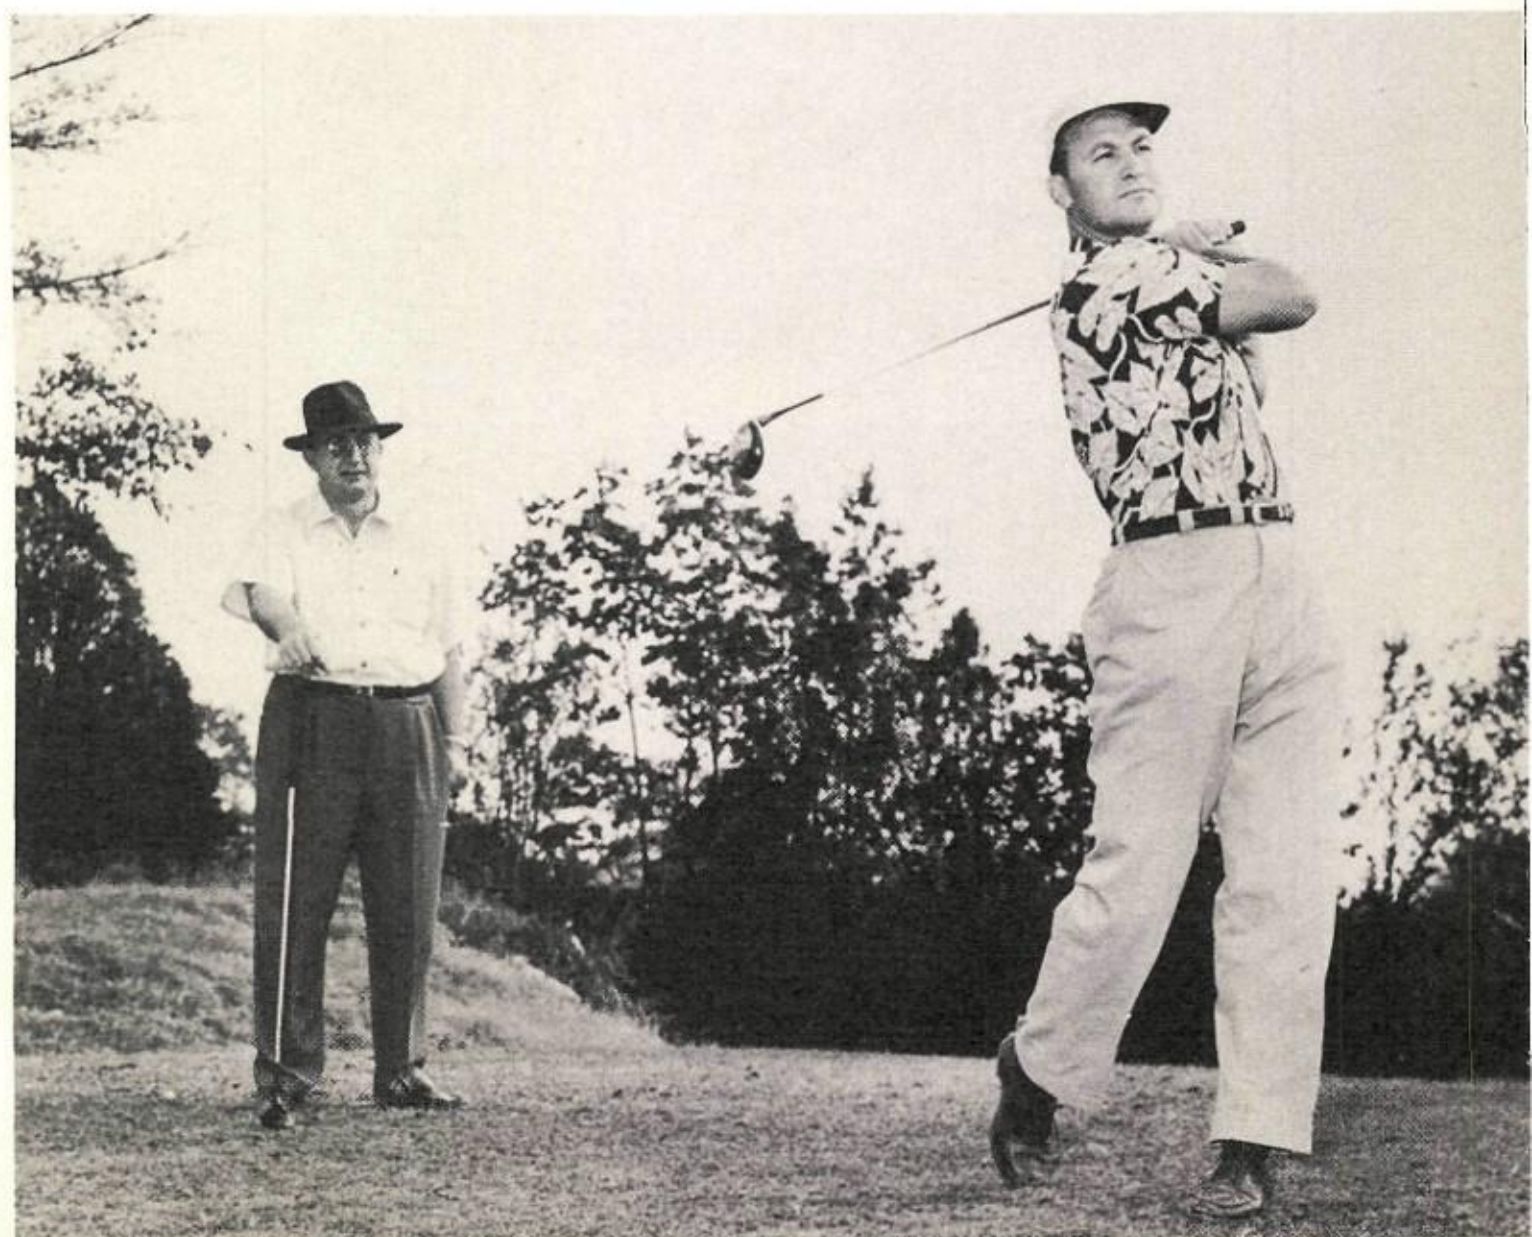

Viewing a tense moment at one of the Maroon games are Mr. Charles Wiley and Mr. Weldon Covington, band instructors and co-creators of the half-time band formations.

Faraway places intrigue these five members of the A.H.S. faculty. Pictured within the city limits of Austin are Miss Jane Smoot and Mrs. Norma Scott, English teachers, Miss Ada M. Owen, Counselor, Mrs. Willard Nitschke, history teacher, and Mrs. Dorothy Moehr, science teacher.

A Hole in one? A birdie? Well, it was a good shot anyway. Mr. Kenneth Carter, mathematics teacher, and Mr. Milton O'Dell, boys' intramural coach, spend their spare time at Hancock Golf Course.

Canasta is enjoyed on week-ends at Miss Mary Farley's home in a leisurely way by Miss Ouida Walker, Miss Sara Hudson, and Miss Flby Branum, English teachers, and Miss Cicely Goff, math teacher.

Gracious living is one of the aims of the Homemaking Department. The F.H.A. tea featured delicious pastries and punch.

Mrs. Jessie Smith, Mrs. Carmen Ferris, and Mrs. Patricia Sutton, homemaking teachers, get in line as Bettye Dodson and Betty Vinson serve.

Afternoons of sewing and visiting with friends is a favorite "time out" activity of many Austin High faculty members. Pictured at left in the home of Miss Esther McClung, science teacher, are Mrs. Joyce Wilson, and Miss Helen Boysen, science teachers, and Miss Mary Rosson, English teacher.

It would have done us good to get a look at our teachers during the hours away from school as well as those within the walls of A.H.S.---"Well," we might have said, "They're pretty swell folks after all!"

Blues and symphonies are not often mixed, but our versatile teachers, Mrs. F. Wilson, Math teacher, Miss Helen Hill, Latin teacher, Miss Eloise Roach, French teacher, and Miss Lucille Dickard and Mrs. Lottie Bushnell, Math teachers, enjoy both.

Good food, entertaining chatter, and interesting company made the Commercial Department picnic the best yet for Miss Katherine Campbell, Mr. Curtis Beaty, Mrs. Elizabeth Flieller, Mrs. Hazel Lindsay, Miss Willa Anderson, Miss Ruth Blalock, Mrs. Oralle Burrer, and Mrs. Marjorie Trevillyan.

"We knew you were coming so we're all baking a cake," seems to be the theme for Miss Earline Weddle, Miss Joyce Wilson, Miss Kathryn Morris, and Miss Avis Gardner, homemaking teachers.

Kindergarten?...No! Just an ice cream party for the children of Mr. Woodrew Wilson, science teacher, Mr. Weldon Brewer, journalism teacher, and Mrs. Armand Lanier, counselor.

Tote that mop! Lift that pail!

Busily cleaning tables, stacking chairs, and mopping the floor are custodians Mr. Eric Kaspar, Miss Ernice Preece, Mrs. Albert Parker, and Mrs. Ima Wusterhausen.

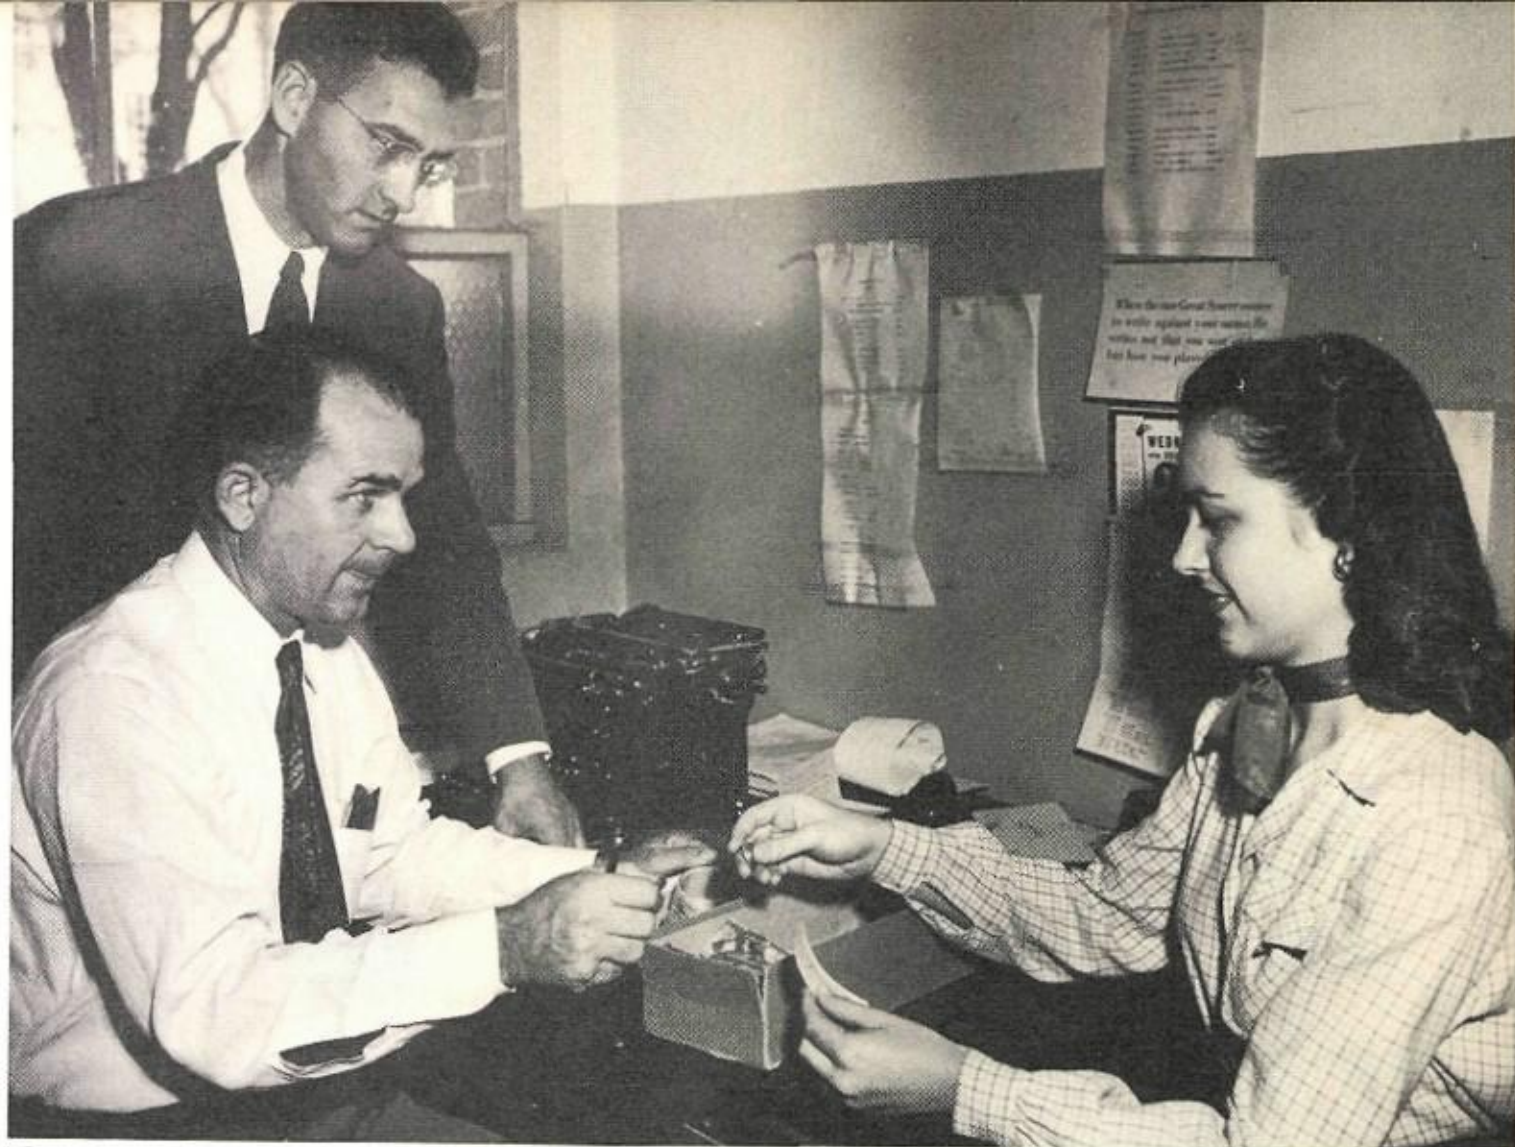

Every play has a backstage crew that does the most work and gets the least credit. In the real life drama at Austin High the custodians play the part of the backstage crew. Cleaning the lunchroom after a busy noon-tide are Mr. L. A. Driscoll, Mr. Albert Parker, Mr. R. E. Burnett, and Mr. E. C. Kirk.

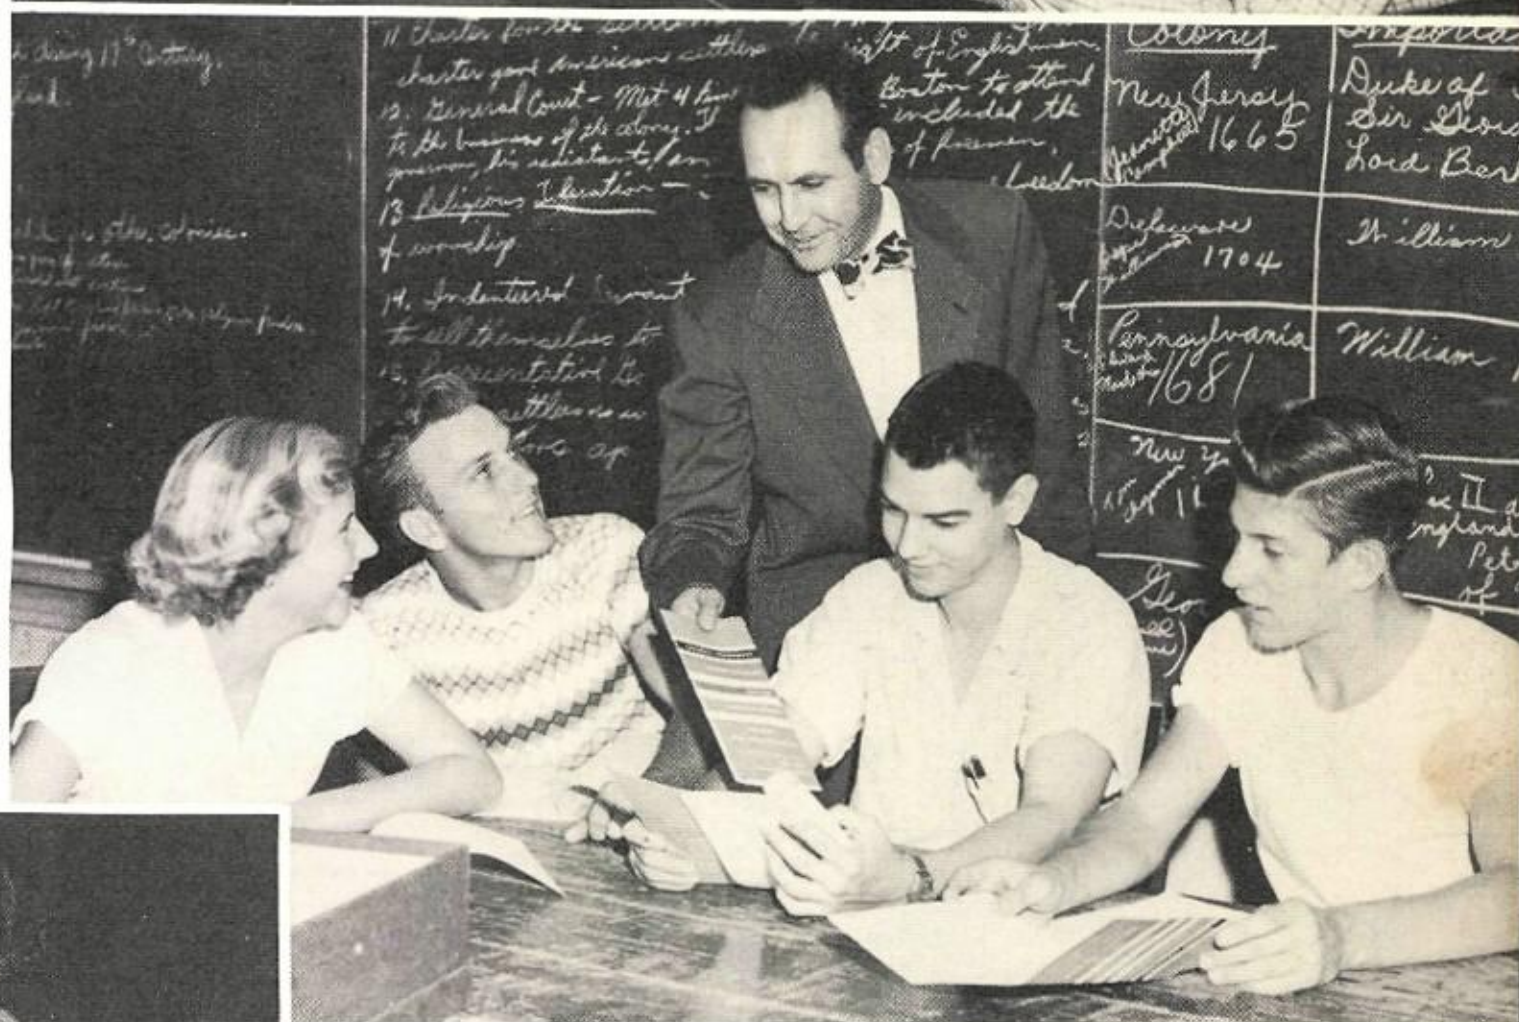

Dishes galore! An endless task! If you don't believe it, the cooks, kitchen experts, can tell you all about washing thousands of plates, knives, forks, spoons, and saucers each day. Standing over the hot dish water are Mamie Williams, Daisy Easley, Bertha Walker, Janie Cato, and Idella Bellinger.

Mr. Toney Burger, A.H.A. athletic director, sells a ticket to a sports enthusiast, Beverly DeWitt, as Mr. C.A. Burger, tennis coach, looks on.

Mr. Robert Teel, history teacher, explains taxation to interested listeners, Claire Caswell, Bert Johnson, Bob Silvus, and Harold Lineberger.

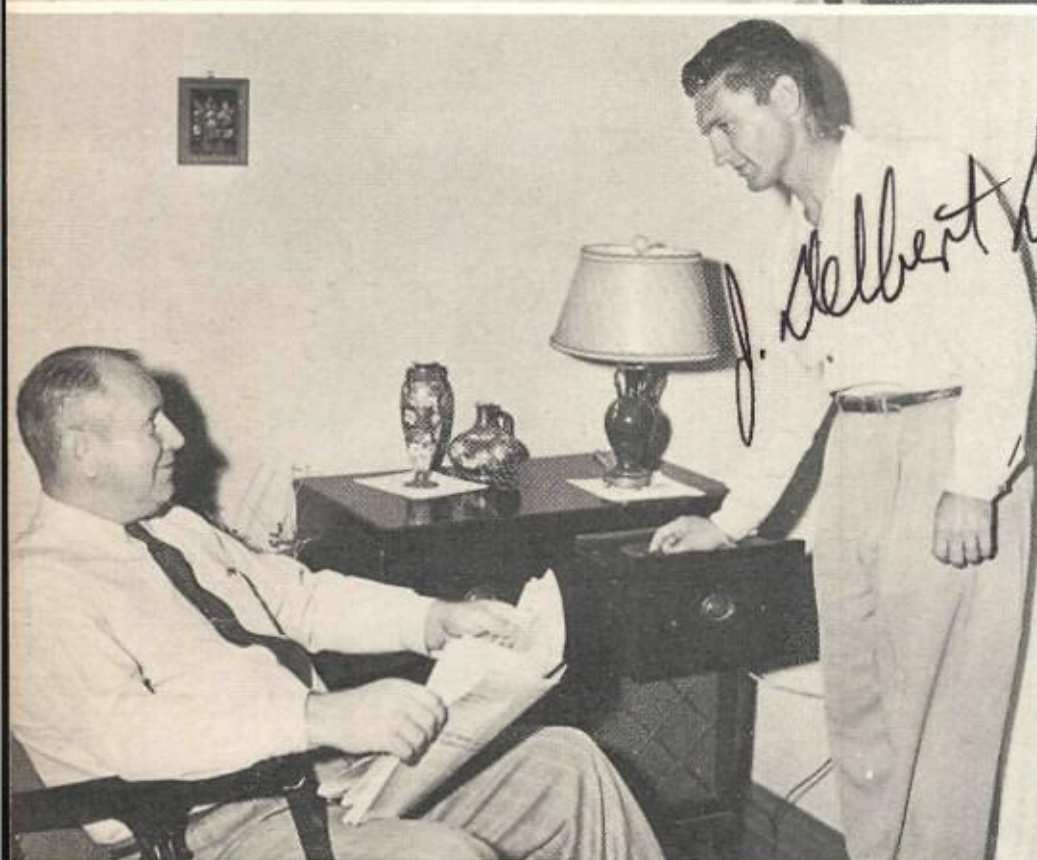

Mrs. Naomi Norton, Speech teacher, counts the money taken in from ticket sales as Red Dragons, Lucy Lee Speaker and Shirley Tanenbaum, lend able assistance.

Mrs. Toney Burger, clerk, when not busy in the Athletic Office, is busy housekeeping for the very active Burger family. Here she adds a beautifying touch with frilly curtains.

Family men, Mr. Barnes Milam and Mr. Delbert Davis, football coaches, contentedly rest after a hard day at school. Yes Sir! There's no place like home!

Speaking of woodwork, Mr. Henry Horton (far right) is an expert on the subject. Admiring one of his handmade tables are Mr. J. W. Windham and Mr. Cecil Briggs, industrial arts teachers.

Once each semester our parents go back to classes to see if school is really what we say it is. Listening interestedly to Mrs. Louva Child, math teacher, are a group of parents on Back-to-School Night.

Since the lunch periods are only thirty minutes long, Miss Susan Hamilton, physical education teacher, and Mrs. Willie Horne, history teacher, have found bringing their lunches to be a timesaver.

Our trade teachers "trade" ideas in the shop. Mr. Roy Starnater, industrial education teacher, explains some machinery to Mr. K. D. Willingham and Mr. Thomas Branyon, vocational agriculture teachers.

Miss Avis Williams, remedial reading teacher, helps many students who have reading problems. (lower right)

Miss Laura Snow, history teacher, discusses her plans for the coming semester with a class of parents attending Back-to-School Night. (lower left)

More than the experiences
had in high school, it is
especially our schoolmates
we remember.

How well we recall that memorable day! The first formation! The new Red Jackets were all scared, but proud as punch, while the old members tried to act so nonchalant, but betrayed themselves when they straightened their ties an extra time and twisted their gloves. Then they marched on the field and the roaring cheer of approval from the stands gave them confidence. Soon all the fright left as they revolved in a double four-leaf clover.

Red Jackets

As the Red Jackets sang "Loyal Forever", the stirring melody gave everyone a boost in school spirit.

"Well worth the trip just to hear the Austin High Band.... one of the best in the NATION"...commented the judge at the Highland Park Festival. Attending the festival in Dallas was the high point of the band's year.

Mr. Covington and Mr. Wiley took several members of the band to the Texas Music Educator's Conference held at Galveston where they participated in the All State band.

This year's activities also included performing at the football games, playing for the basketball games, and playing for the graduation ceremonies. In addition, they held a solo and ensemble contest and gave their 20th annual concert which they dedicated to all the ex-members of the band.

CHEERS AND CHALLENGES

Sometimes the sideline struggles
were as interesting as those that
took place on the field of play.

But despite the distracting ele-
ments, we never lost sight of
our boys fighting for the glory of
Maroon and White . . . and when
hundreds of voices joined in
singing "Loyal Forever", a
sudden stillness settled over
the milling throng.

COACHES

"Dutch" Forrest Kline, Johnny Kitchen, head coach, and Allen Lawler

With nine returning reserve letter men including one regular starter, Coach Kitchen and his 1950 Maroons faced a rebuilding task at the beginning of the season. By taking out the kinks and smoothing over the rough spots, the coaches developed the Maroons into one of the two top contenders for the coveted State title.

At the beginning of the season Line Coach Kline and Backfield Coach Lawler found they had a quick but light backfield, but lacked a fast charging line. Gradually gaining experience the Maroons catapulted into the State championship finals for the second straight year.

MANAGERS

The managers are unsung heroes who play an important part on the Maroon squad behind the scenes.

Often confronted with unglamorous jobs requiring hard work, Penn Johnson, Bill Dockery, head manager, Curtis Blackmore, and Walter Leonard, head manager, repair hundreds of football shoes and do numerous other chores before game time.

It is hard sweating over a lot of seemingly insignificant tasks, but it's all worth it when the pay off comes . . . a Maroon football victory!

AUSTIN 21 -- WACO 0

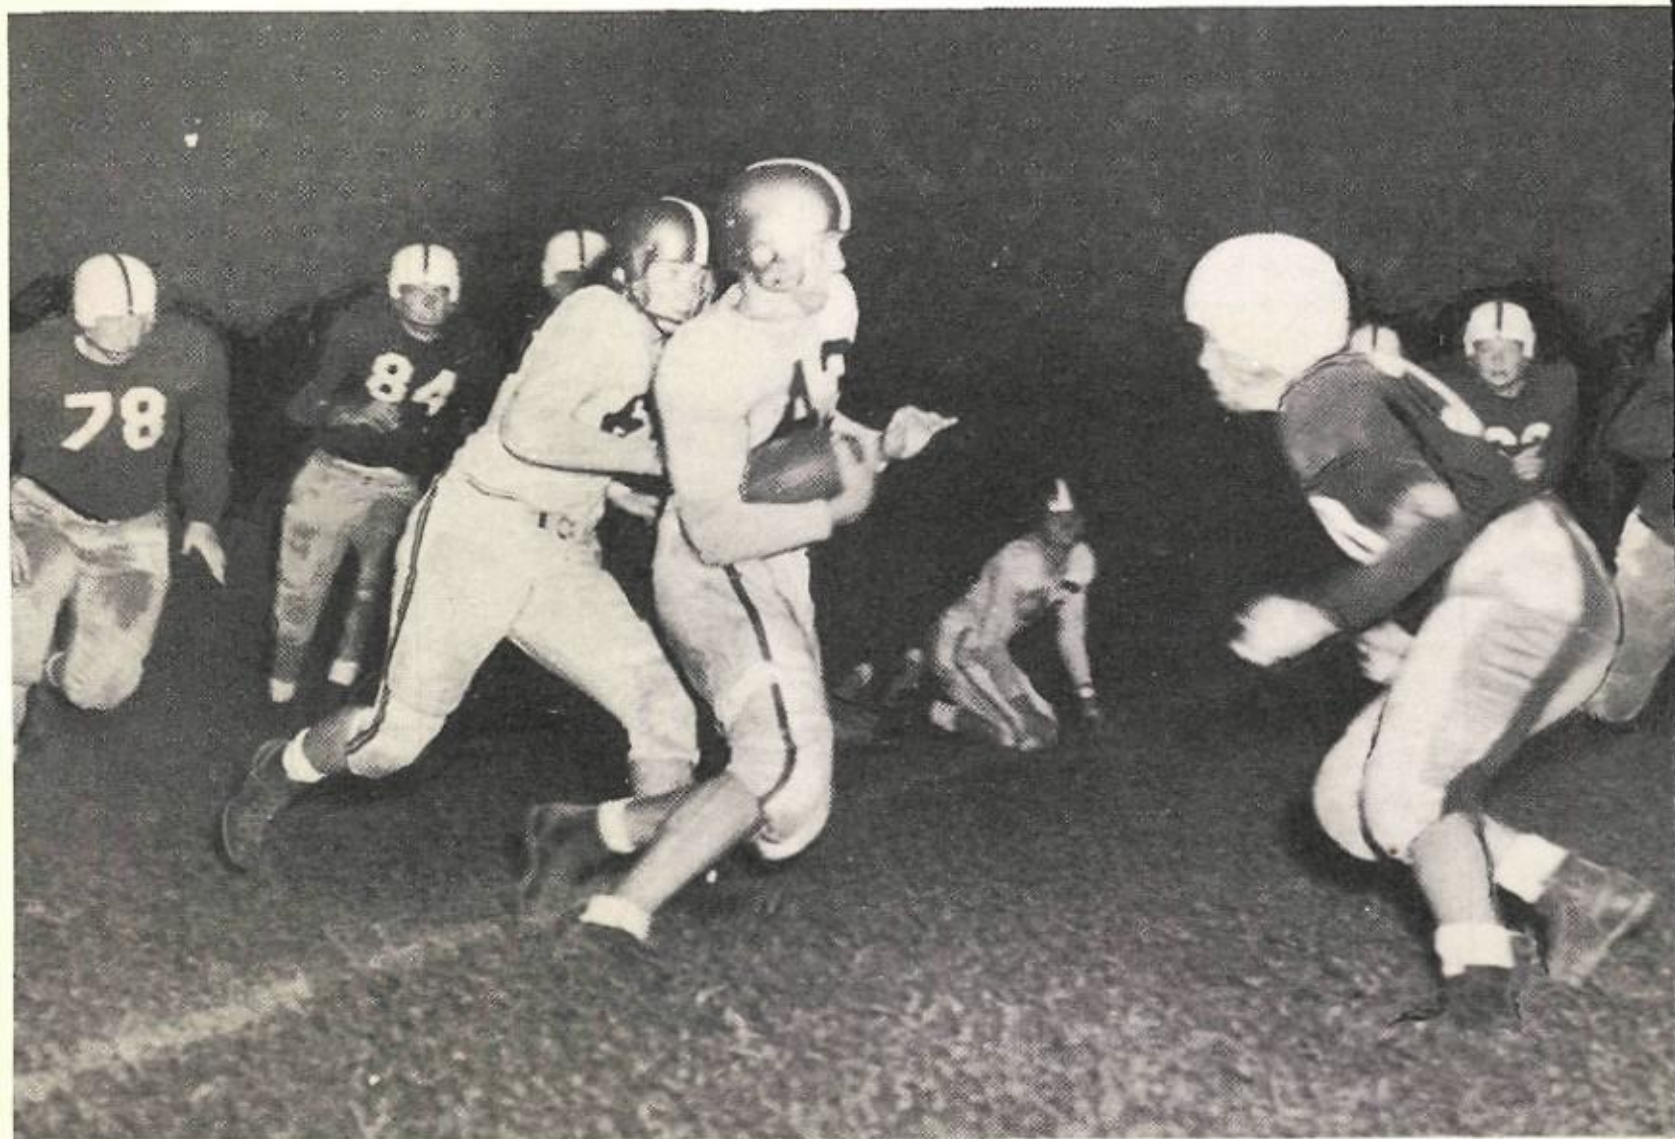

The Maroons turned in a brilliant performance again Waco in their opening game of the season at Tiger Field.

Although the Austin line wrecked the Tigers, the score was only 7-0 at the beginning of the fourth quarter. It was then that Austin turned loose with Watkins and Williams each crossing the goal line for the Maroons.

Four minutes in the second quarter Womack raced 33 yards for Austin's initial tally. At the half-time the score was 7-0 for the Maroons.

The second touchdown march, which started in the early minutes of the third quarter, involved a series of nine plays and 43 yards, and ended with Williams smashing over from one inch out. Lyman Preston kicked the point with ease and the score was 14-0.

Then Watkins raced 46 yards through Waco's line, being stopped on the Tiger 10. One play later Watkins went over from the 10-yard line for Austin's final score. Again Preston kicked the point as the game ended at 21-0.

AUSTIN 18 -- ARLINGTON HEIGHTS 14

The Maroons squeezed by the Arlington Heights' Yellow Jackets in the second game of the season at House Park.

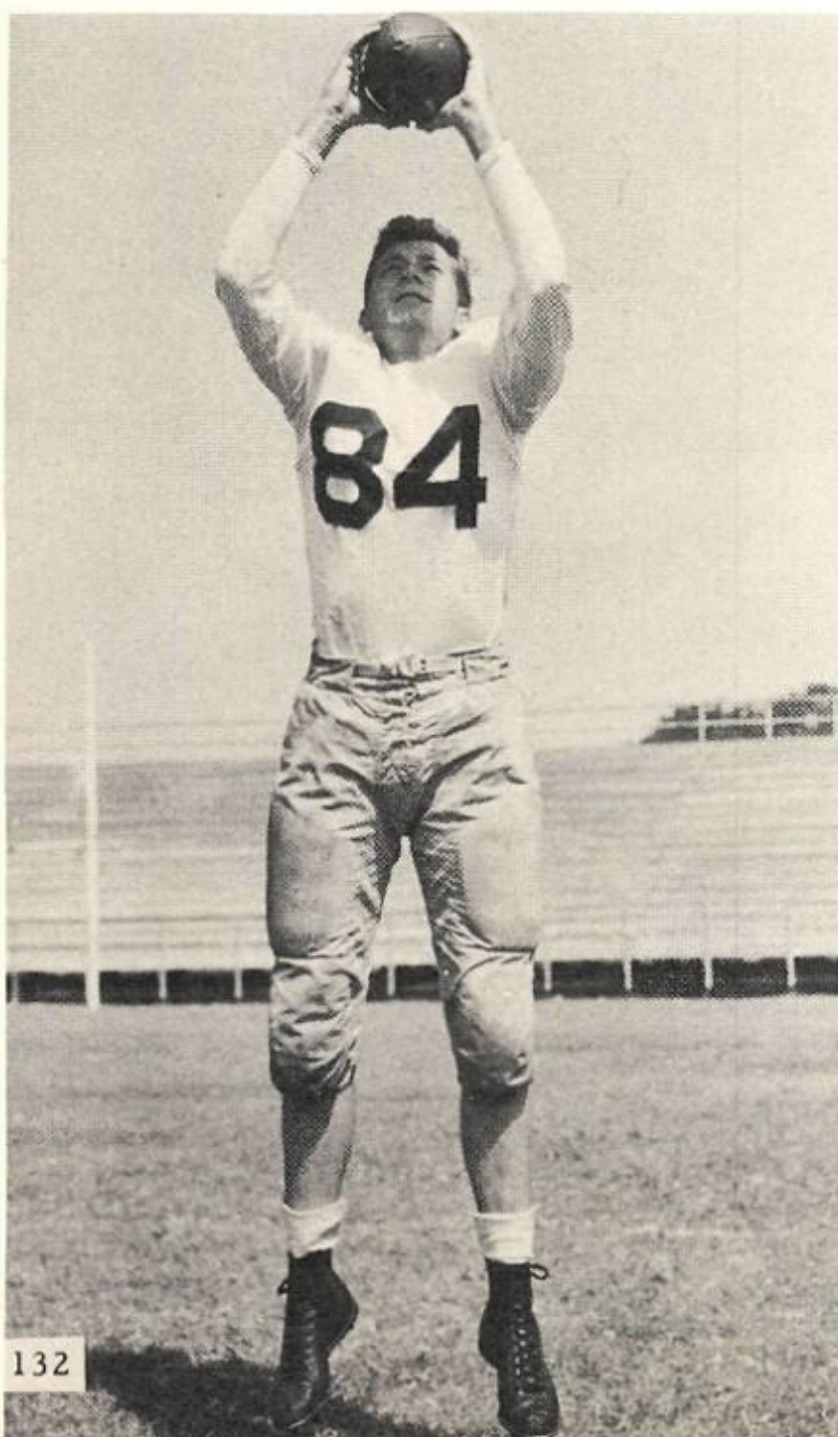

It was Delano Womack who pulled the Maroons out of the hole with a 52-yard touchdown run in the fading minutes of the game. Until Womack's spectacular run it was nip and tuck with the Heights taking the lead twice, 7-6 and 14-12.

Austin took a 6-0 lead when Oliver Bradshaw went over from the 2 yard line after Younger blocked an Arlington Heights punt. Then the Yellow Jackets shifted from the single-wing to the T-formation and scored on a 72-yard run. They kicked the placement and took a 7-0 lead.

On the first play of the fourth quarter Womack drove over from the 10 yard line and Austin again led, 12-7.

With three minutes left to play Heights took the lead again, 14-12, on a 20-yard touchdown pass.

In the last two minutes of the game Womack made the touchdown run that put Austin on the top of the final score.

In a surprising game at House Park the Thomas Jefferson Mustangs defeated the Austin Maroons by a score of 27-0.

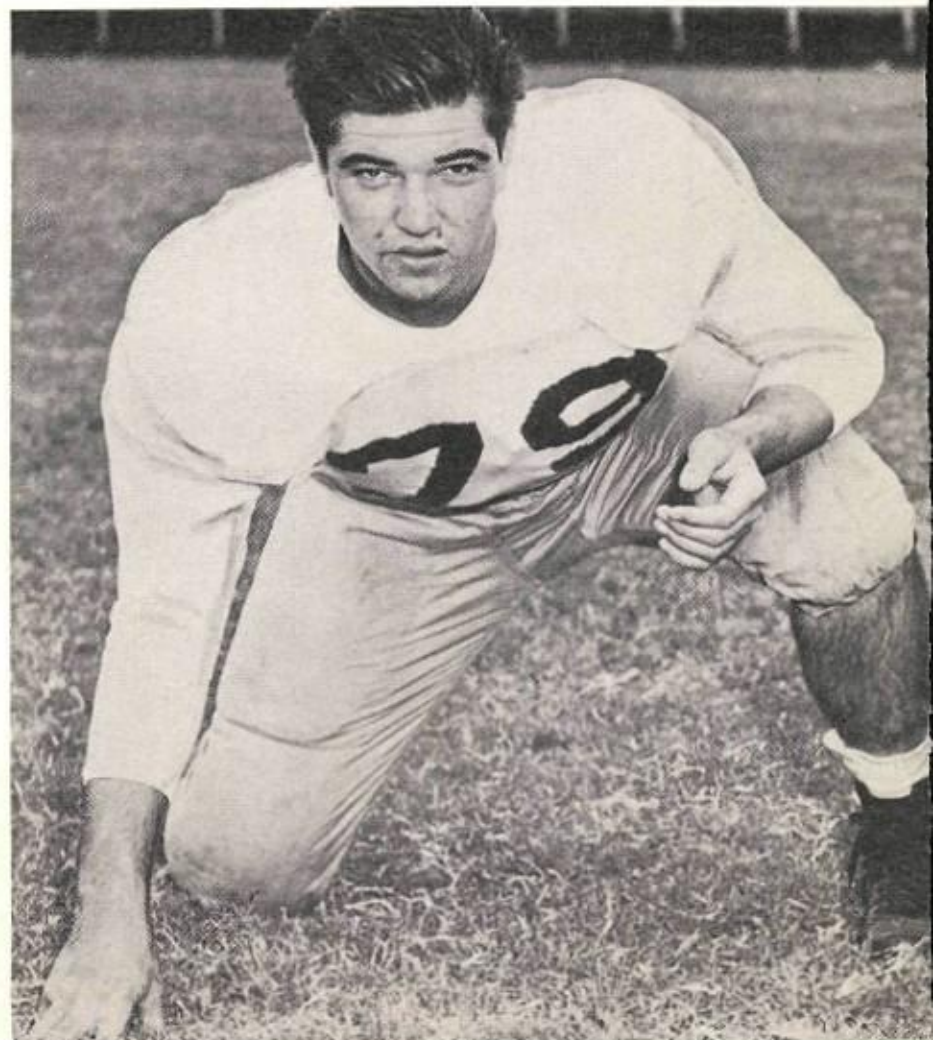

Two plays in the second quarter Jeff scored on a right-end run from five yards out and converted to take a 7-0 lead. Minutes before the half, Toler went wide around right end for Jeff's second tally. Missing the kick, Jeff led 13-0 at the half.

In the third quarter Austin held the Mustangs until one minute before the quarter ended. Then Hundley broke loose on a wide end run, going 20 yards for Jeff's third score, making it 20-0 for the Mustangs. Two minutes deep in the last quarter Quinn raced 30 yards for the final touchdown.

Outstanding in the backfield for Austin were Oliver Bradshaw, Rodney Williams, and Durwood Watkins.

AUSTIN 7 -- SAN JACINTO 0

In the fading minutes of the game Austin took to the air to defeat San Jacinto, Houston's Golden Bears by a score of 7-0 at House Park.

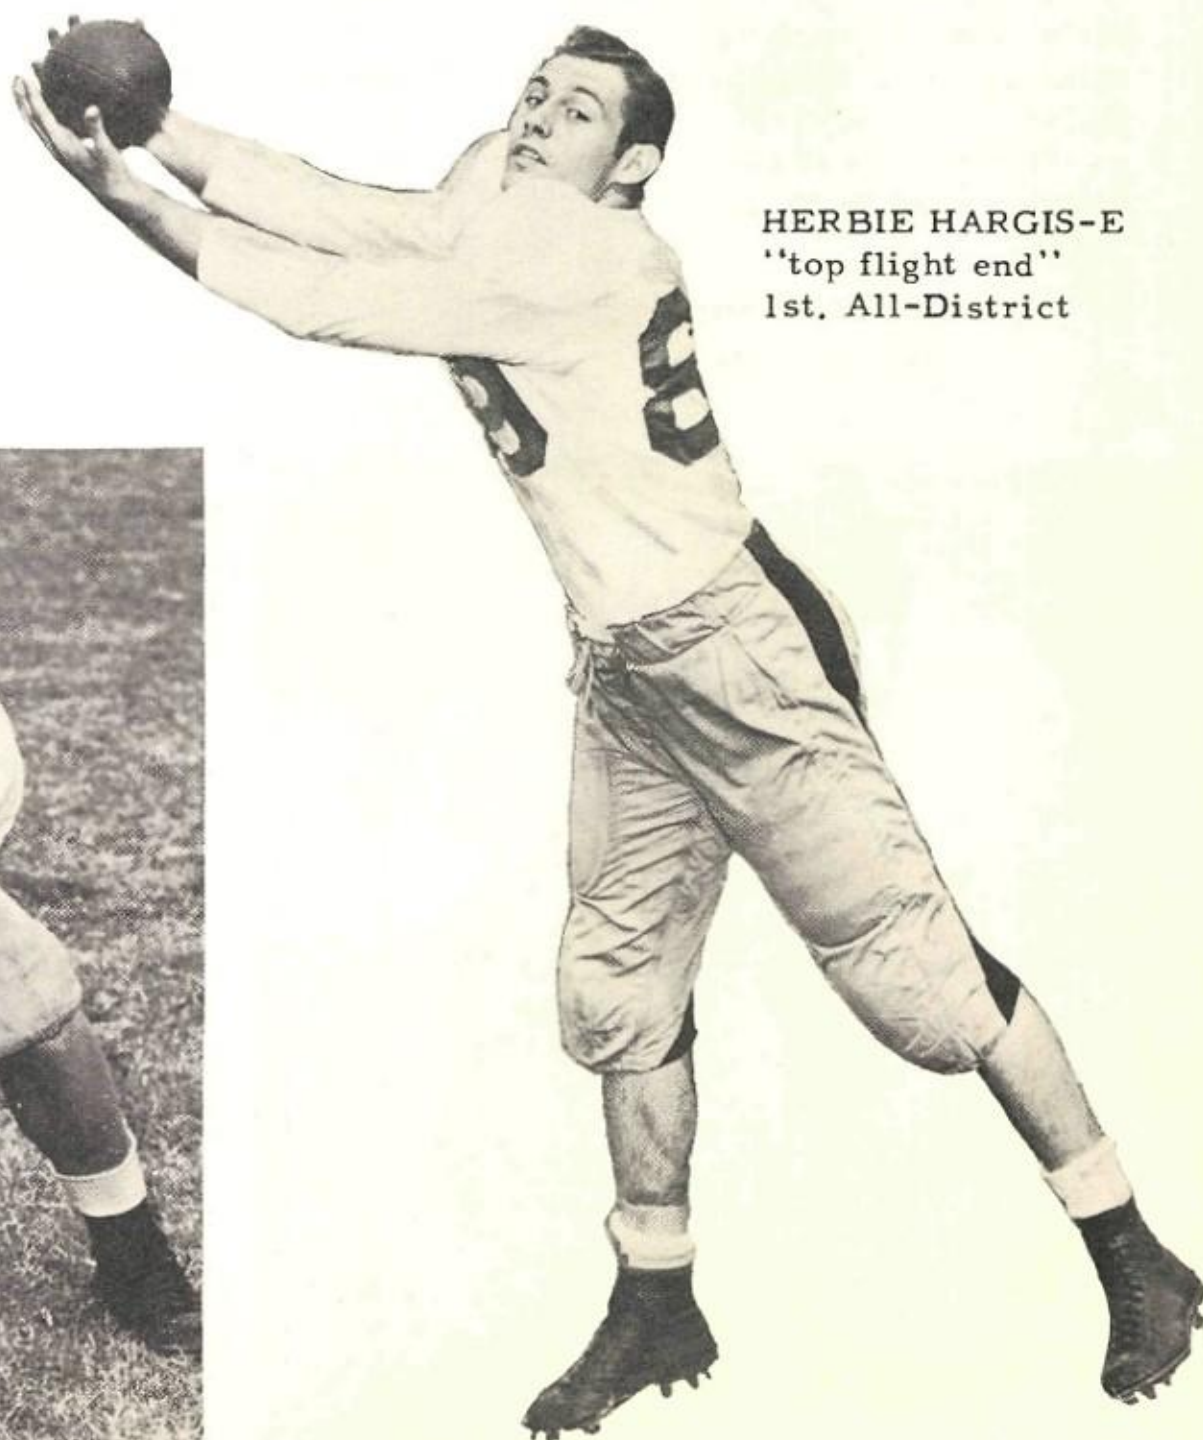

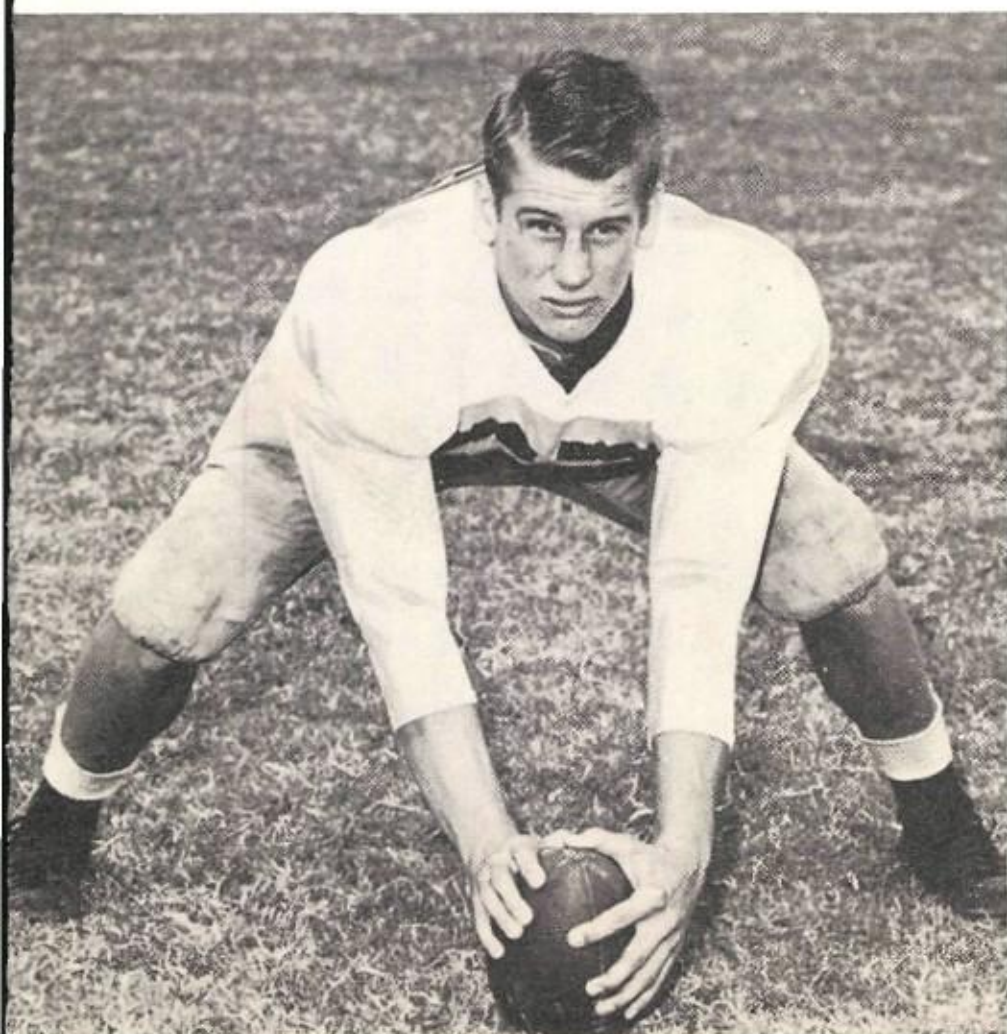

Durwood Watkins and Rodney Williams, the spark plugs of the Maroons from the beginning to the end, picked up all but seven of Austin's 192 yards on the ground. Up front Austin's heavyweight line had no trouble with the Bears. The Maroons held San Jacinto to a net of only 93 yards on the ground.

One minute deep in the fourth period Austin took possession of the ball when a short kick went out on San Jacinto's 48.

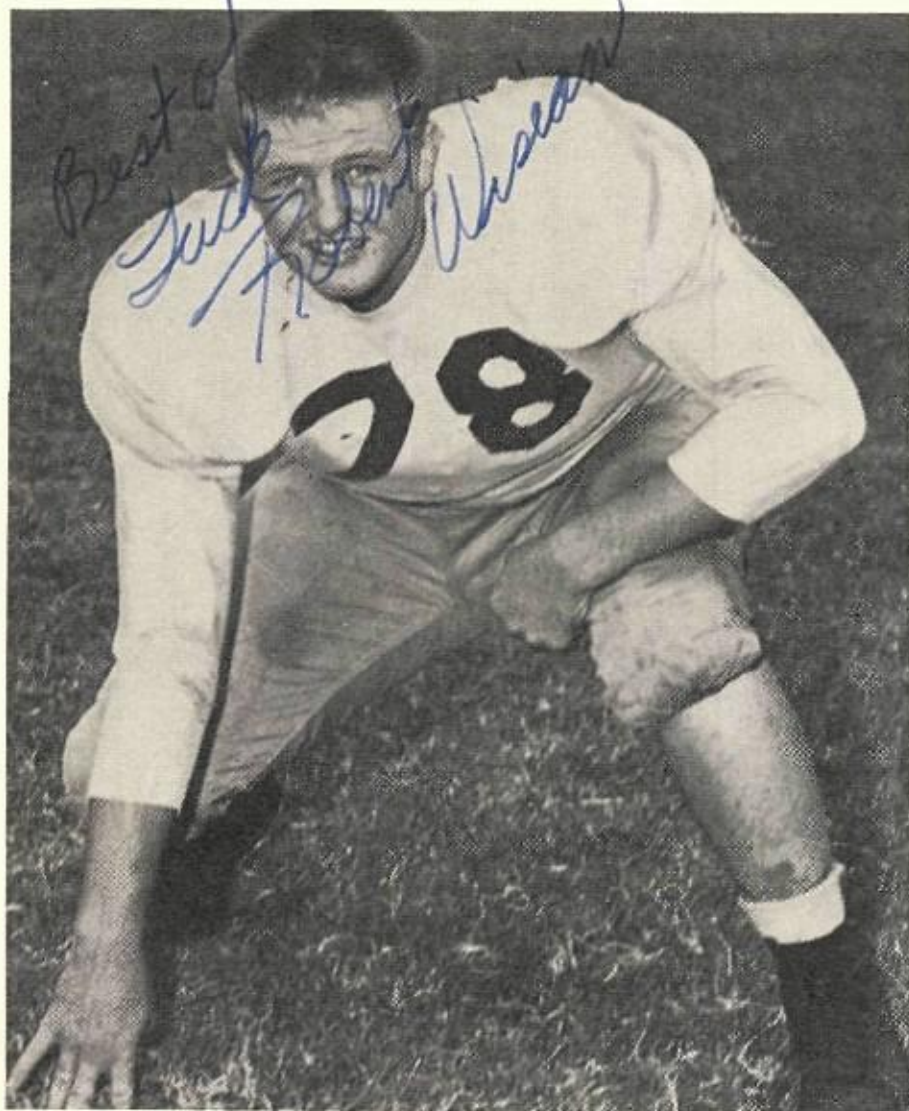

Williams and Watkins alternated on ground plays down to the 19. Then Ireland shook loose in the end zone just long enough to snag a high pass from Watkins. Mike Higgins kicked the placement, making it Austin's victory.

AUSTIN 53 -- BOWIE 13

Austin ran all over Bowie High School of El Paso by pushing over seven touchdowns in the last 20 minutes for a 53-13 victory.

Just three minutes before half-time Austin scored its first touchdown when Hargis recovered a fumble in the end zone. At half-time Bowie led 7-6.

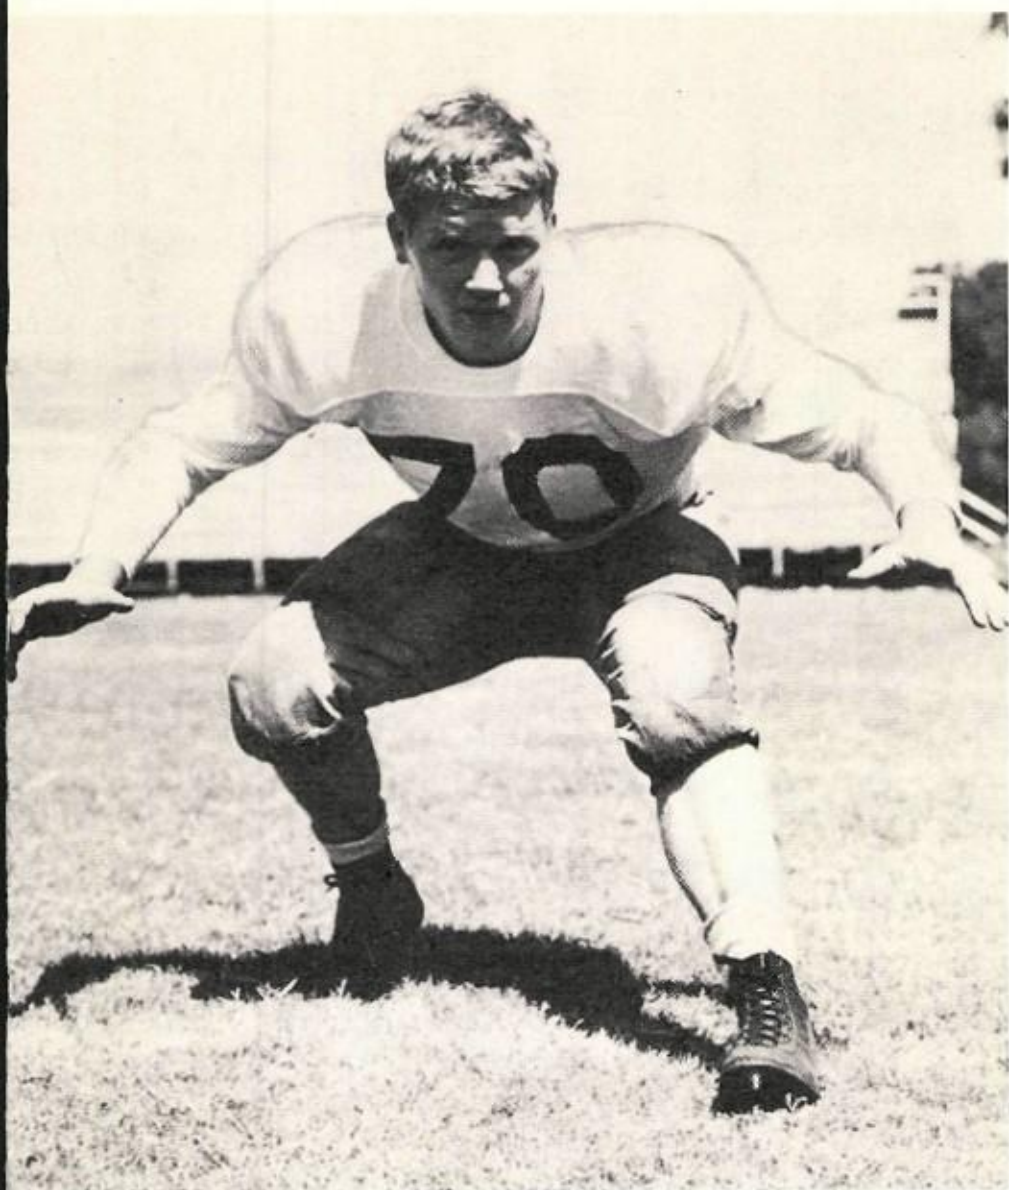

With three minutes left in the third quarter Bowie again scored on a pass. The score was 20-13, and Bowie did not score again.

In the next 13 minutes five different Maroons scored for Austin. First Delano Womack raced 17 yards through tackle for a touchdown. This made it 26-13 as the fourth quarter opened.

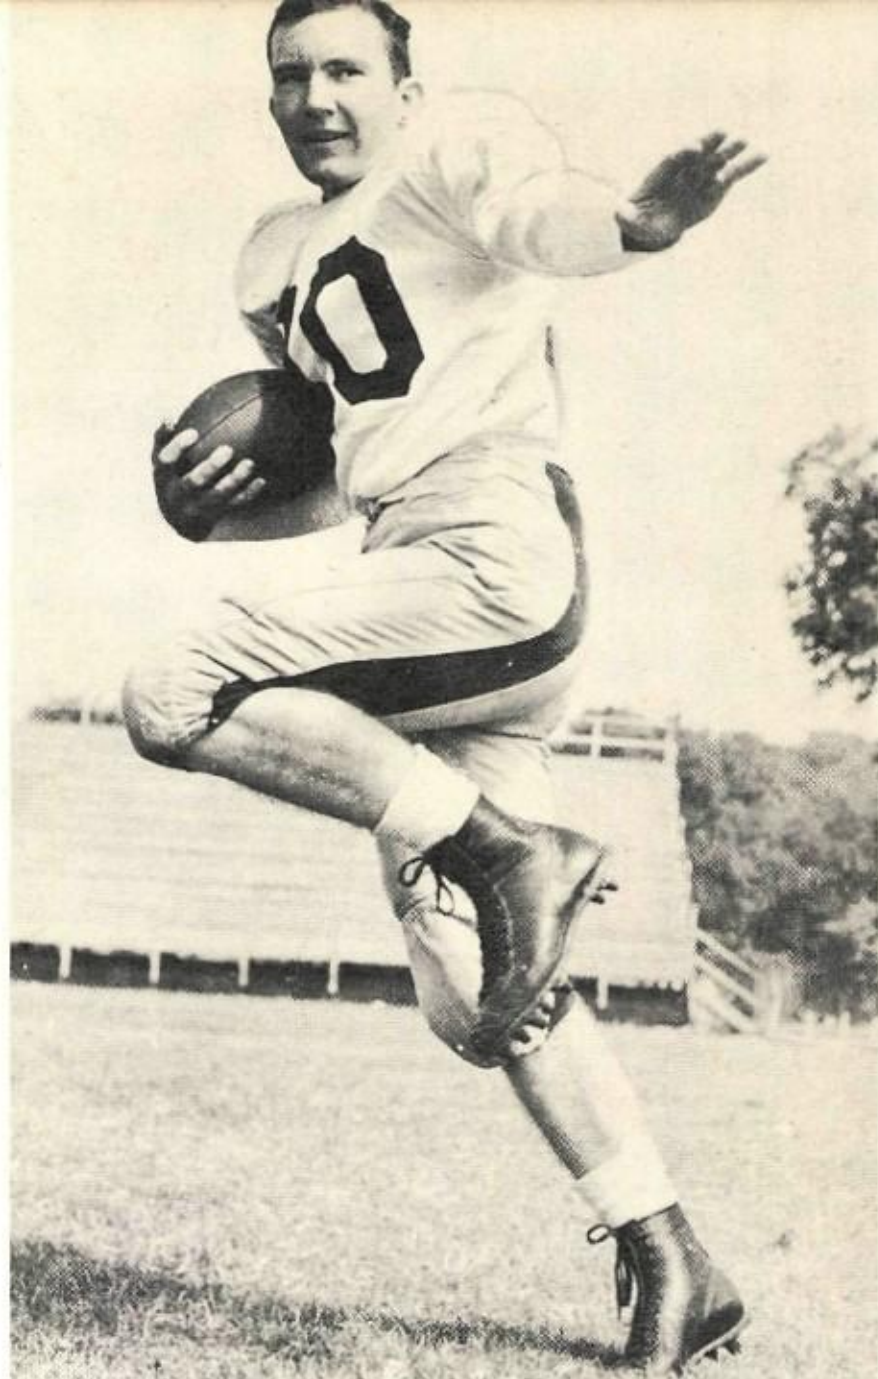

Then in rapid succession came the next four tallies. Rodney Williams crashed over from the one-yard line. Next Joe Ireland went 19 yards, and then Reedy recovered a blocked punt in the end zone for still another touchdown. Bradshaw ripped through tackle for his second score of the night and the last touchdown of the game.

AUSTIN 14 -- TEMPLE 7

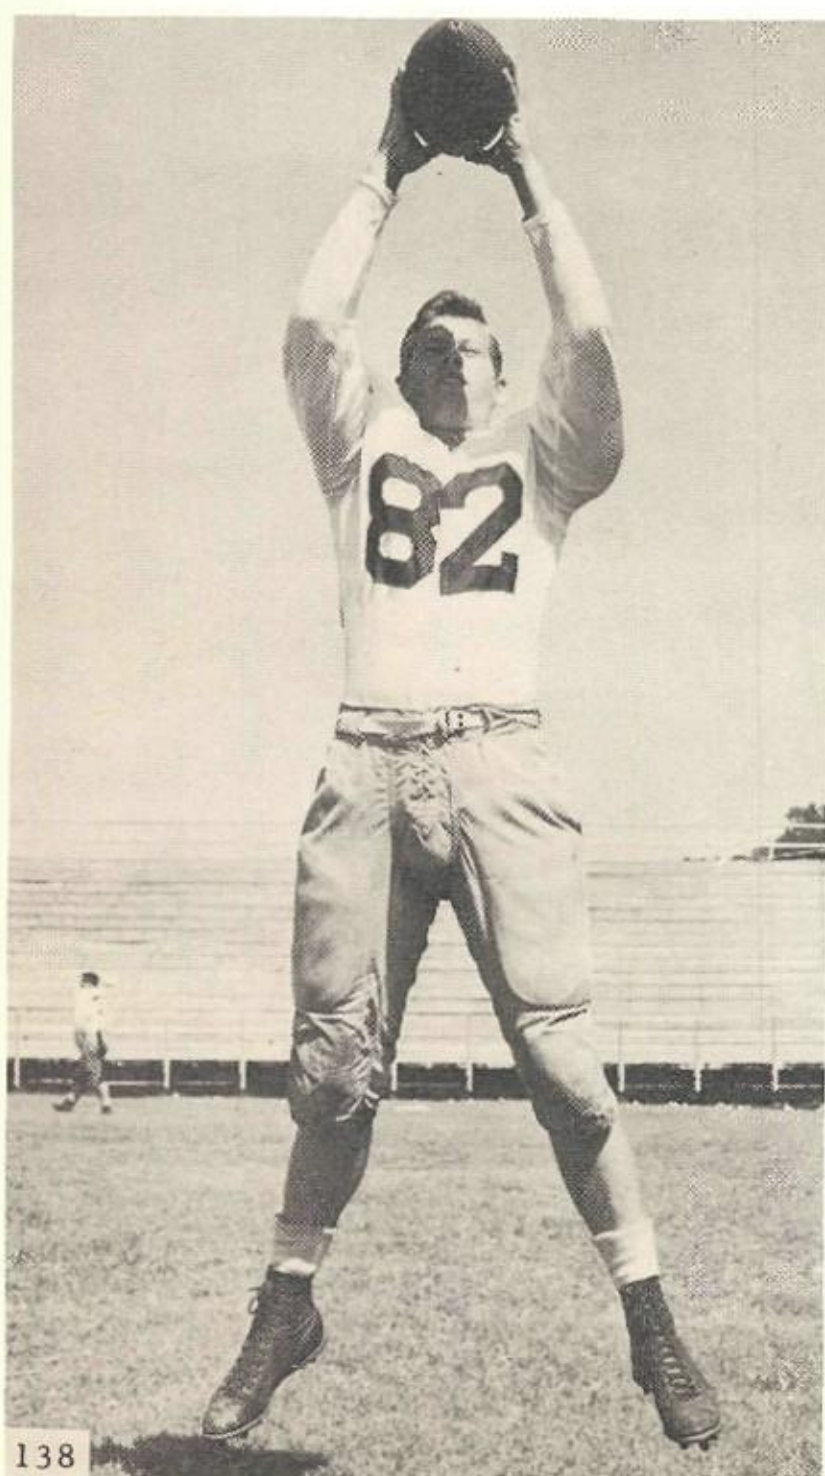

In the last game before the opening of district play the Austin Maroons slipped by Temple's Wildcats 14-7 at Hous Park.

Austin took a 7-0 lead midway in the first quarter the third time the Maroons got the ball. Bradshaw climaxed a 49-yard drive when he flipped a 5-yard pass to Joe Bunch. Mike Higgins converted.

Traylor set up Temple's first touchdown with a 31-yard aerial to Thornton, who went over to score for Temple, but the ball was called back because of an offside penalty against Temple. From 10 yards out Watson again scored on the same play. Perry's placement made the score 7-7.

In the third quarter Rodney Williams completed a 35-yard drive by going over from the 2-yard line. Higgins kicked the point and made it 14-7, where the scoring ended.

Outstanding for Austin were Oliver Bradshaw, Rodney Williams, and "Hig" Higgins.

AUSTIN 37--RAY HIGH 0

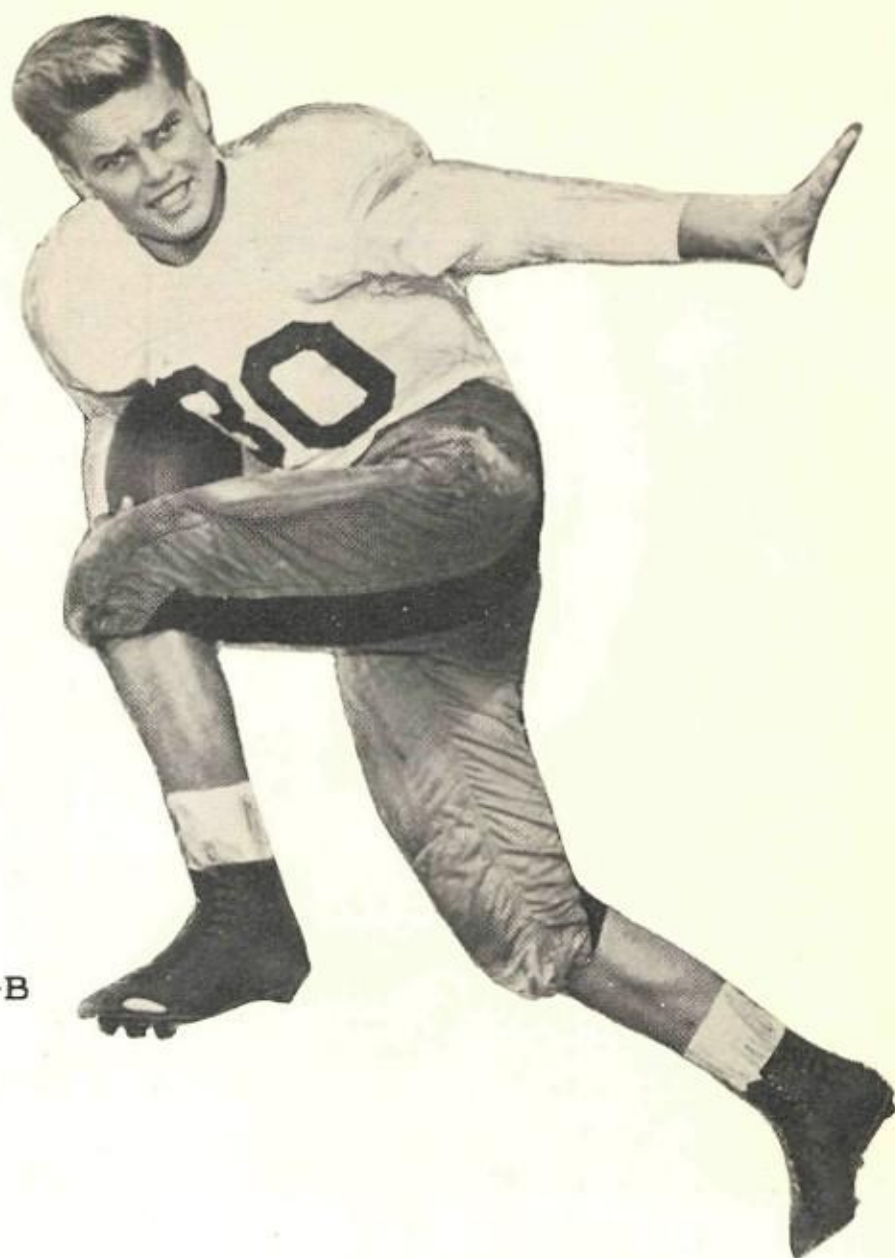

The Maroons beat Ray High of Corpus in Buccaneer Stadium to take their opening district game 37-0.

Austin's first counter came in the opening period when Rodney Williams went around end from the one-yard line.

The Maroons did not score again until the second quarter when Womack went over on an intercepted pass. Austin's next count came in the same period when Williams jaunted 22 yards through the middle for the third touchdown.

In the third period Williams went 44 yards, and Ireland connected with Ludwick for a 25-yard aerial to make the score 34-0.

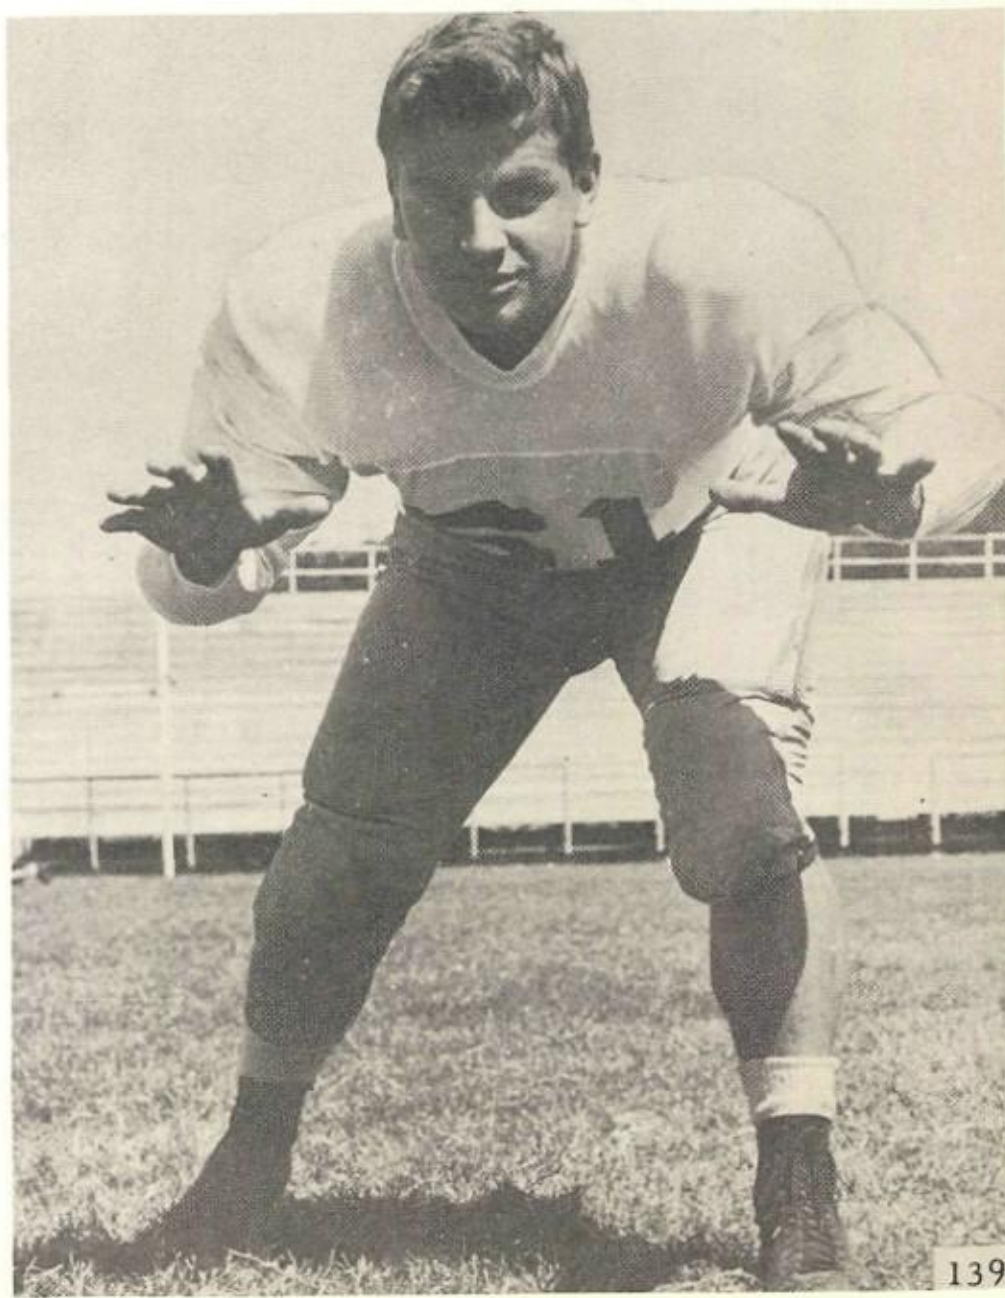

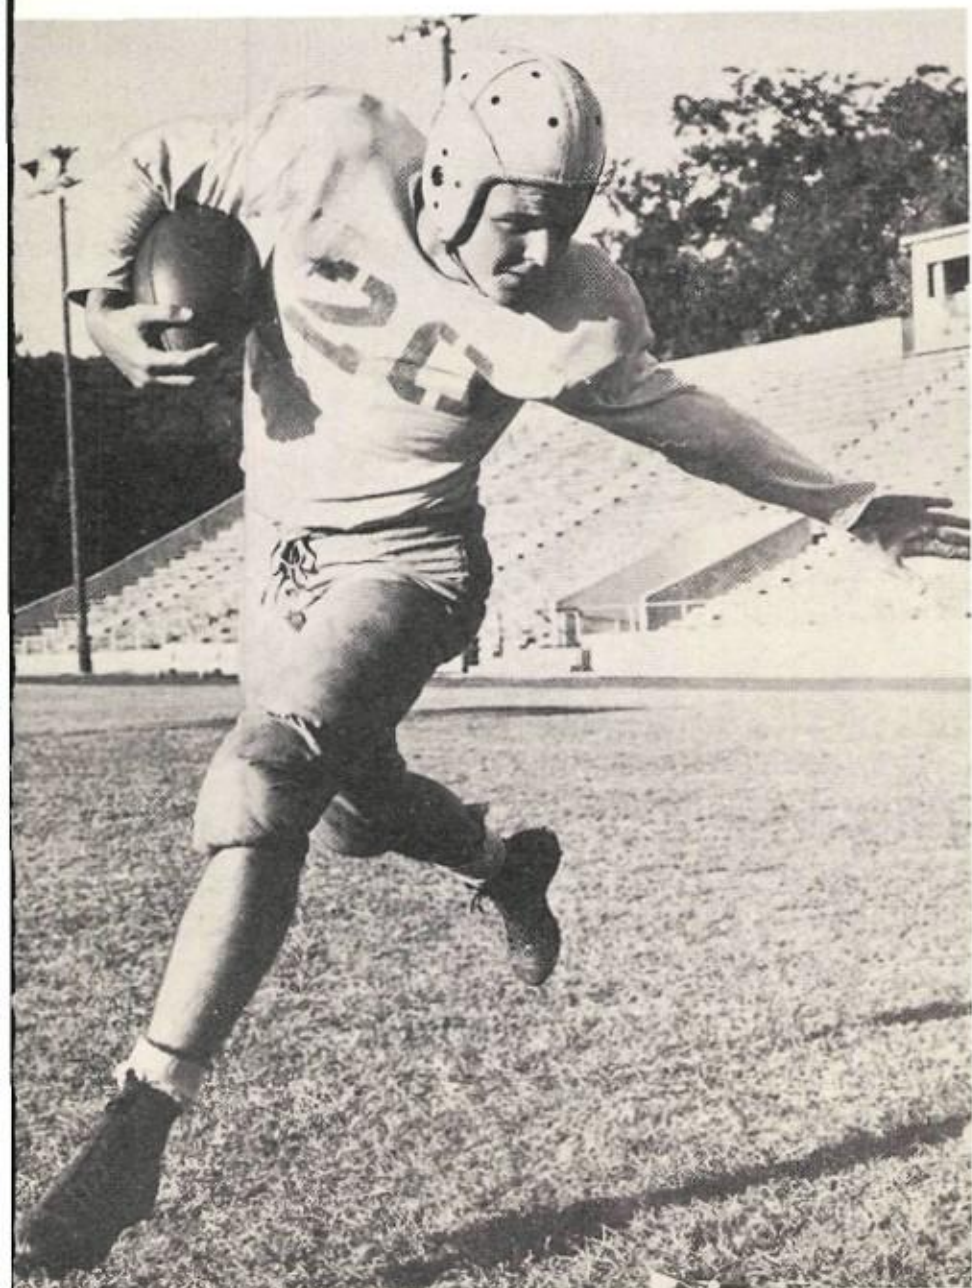

Higgins kicked a 15-yard field goal in the fourth quarter to boost the score 37-0.

AUSTIN 21-MILLER 0

In the last scheduled home game of the season the Maroons defeated the Miller High Buccaneers of Corpus Christi 21-0 at House Park.

In the first 42 minutes of the game the Maroons were held to only one touchdown. Then in the last quarter Austin broke loose for two touchdowns to cinch the win.

Six plays after Austin recovered a Buc fumble, Bradshaw smashed the middle of the line from one yard out and went across for Austin's first tally. The half-time score was 7-0.

Austin did not score again until the fourth period. Miller drove to the Austin 30 and came short of a first down by one foot. The ball went over, and on the next play Bradshaw went to the Buc 25 on an end run. Five plays later Bradshaw again went over for Austin and Higgins kicked the point making the score 14-0. Miller kicked, and Austin took over on the Corpus 47. Womack went over for Austin's final tally on a right end sweep with splendid blocking by Arthur Cunningham. Higgins again converted, making it 21-0, and the game ended 55 seconds later.

The Maroons ripped the El Paso Tigers to pieces in El Paso by racking up 9 touchdowns for a 60-12 win.

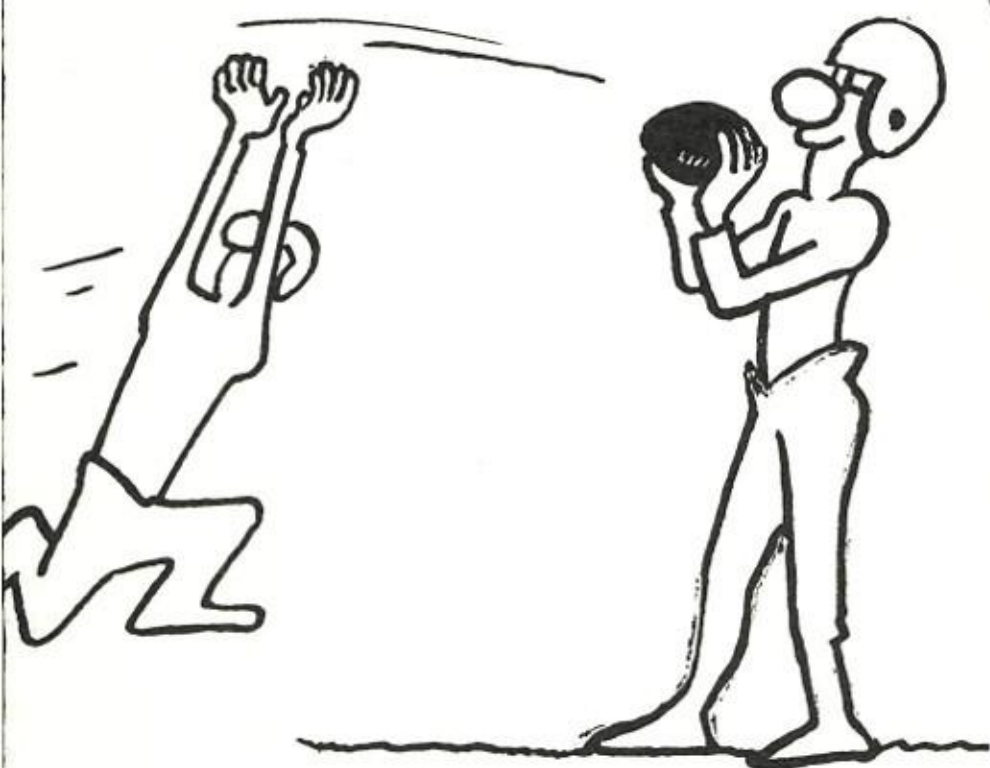

The hero of this easy victory was Austin Fullback Oliver Bradshaw. Bradshaw scored three touchdowns, passed for another, and wound up with a total of 206 yards rushing and passing.

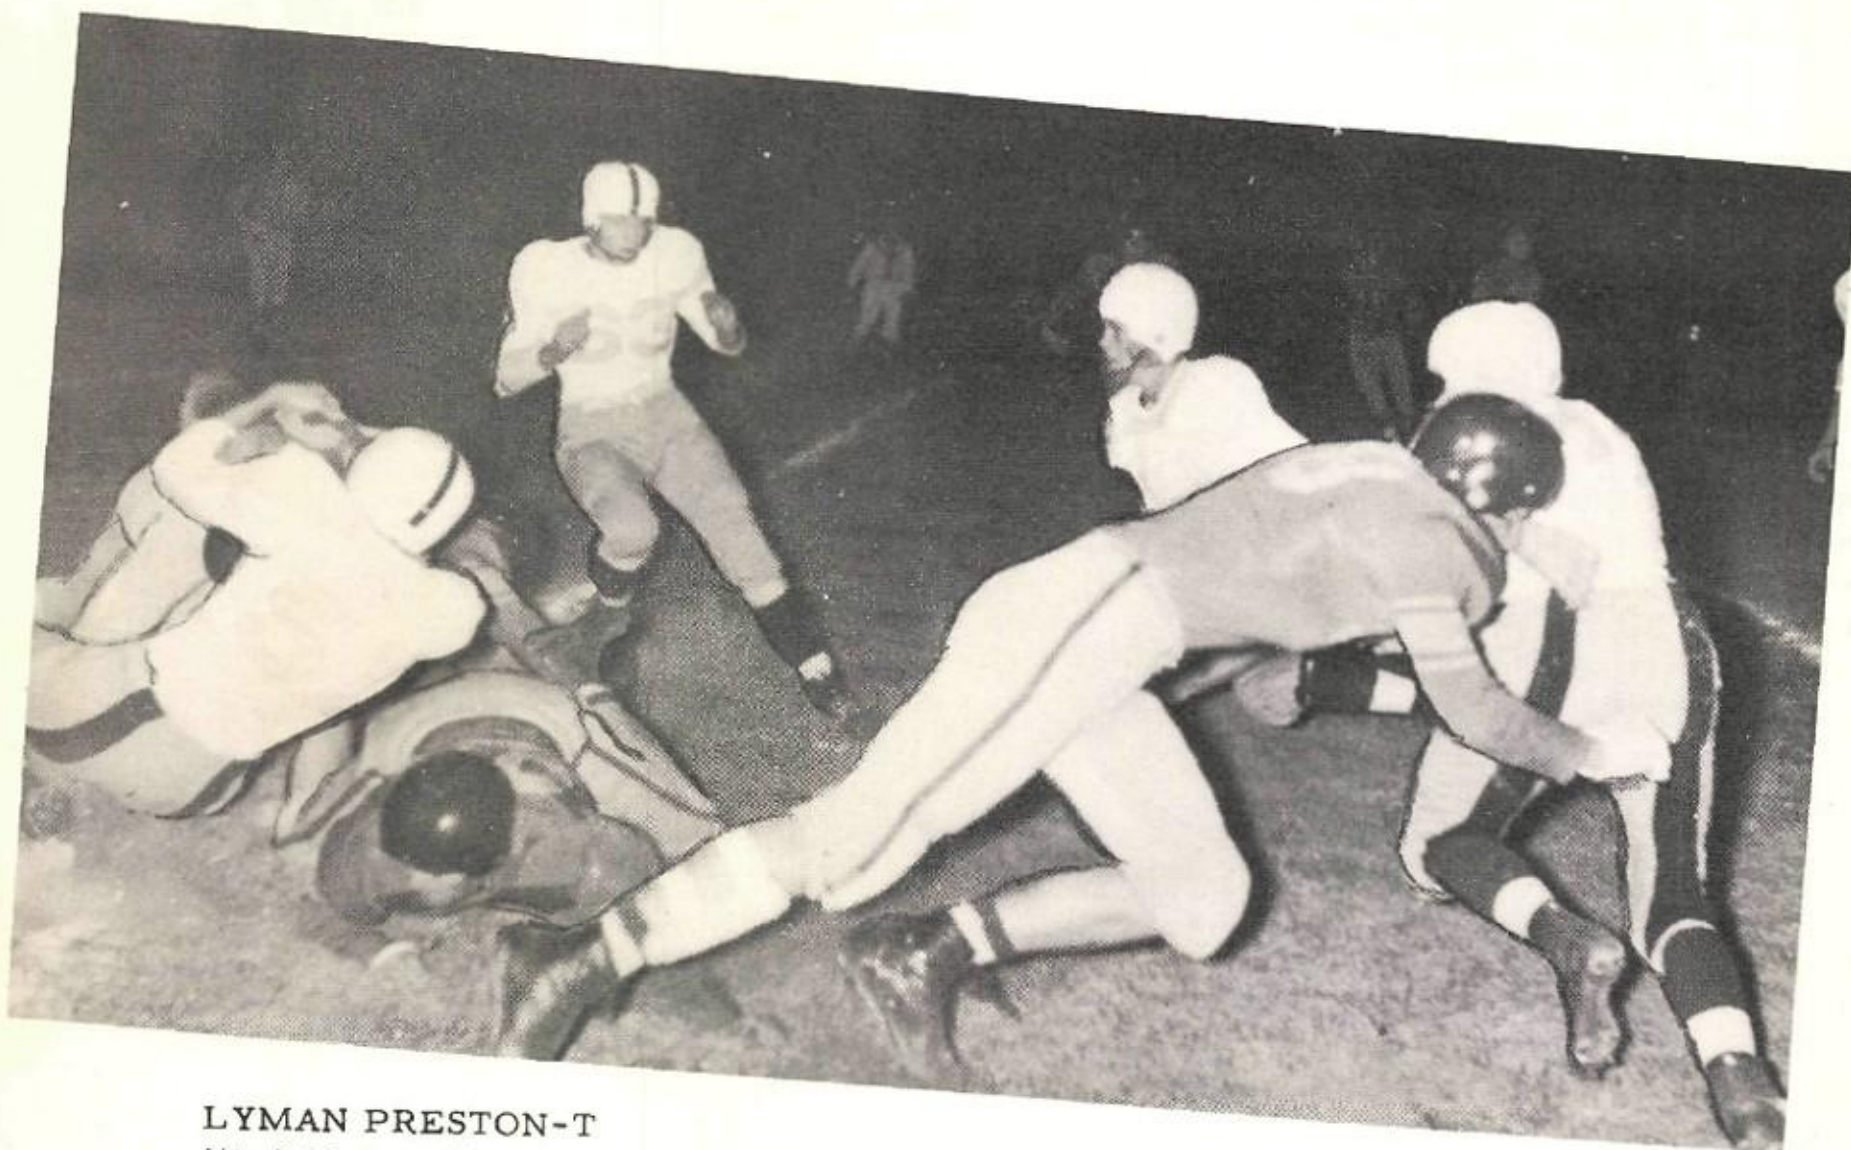

Austin battered El Paso's line with Dick Van Fleet and Wayne Agnew each blocking a Tiger punt.

Others scoring touchdowns were Womack, Watkins, Ireland, and Williams. Mike Higgins converted after 6 of the 9 touchdowns, making the final score Austin 60, El Paso 12.

AUSTIN 21--TIVY 0

Using Morris Nelson as the key man, Austin High's Maroons whipped Tivy High in Kerrville 21-0 to take the District 14-AA crown.

Moved from halfback to tailback, Nelson caught the Antler defense asleep. He scored one touchdown on a 13-yard run, and later threw a 26 yard pass to Herbie Hargis for Austin's second touchdown.

Both these scores came in the last three minutes before half-time. Just 30 seconds before the game ended, Oliver Bradshaw crashed through, thus wrapping up the Maroons' finest game of the season.

AUSTIN 35--HARLINGEN 0

Durwood Watkins, 135 pounds of supercharged fullback, tore the Harlingen defense to shreds in the last game played at House Park during the season. Austin whipped the Valley champions 35-0 to advance to the semi-finals for the third time since 1942.

Watkins, who powered the Maroons to victory, raced eleven yards for a touchdown in the first quarter and fired a 45-yard pass in the second period for a touchdown. In the fading seconds of the third quarter he topped everything off with a 66-yard run for the third score.

Austin blasted the Harlingen line off its feet with a 20-pound weight advantage. The Maroons, meanwhile, scored before the game was three minutes old and rolled up a 21-0 half-time count. Then they added single touchdowns in the third and fourth quarters.

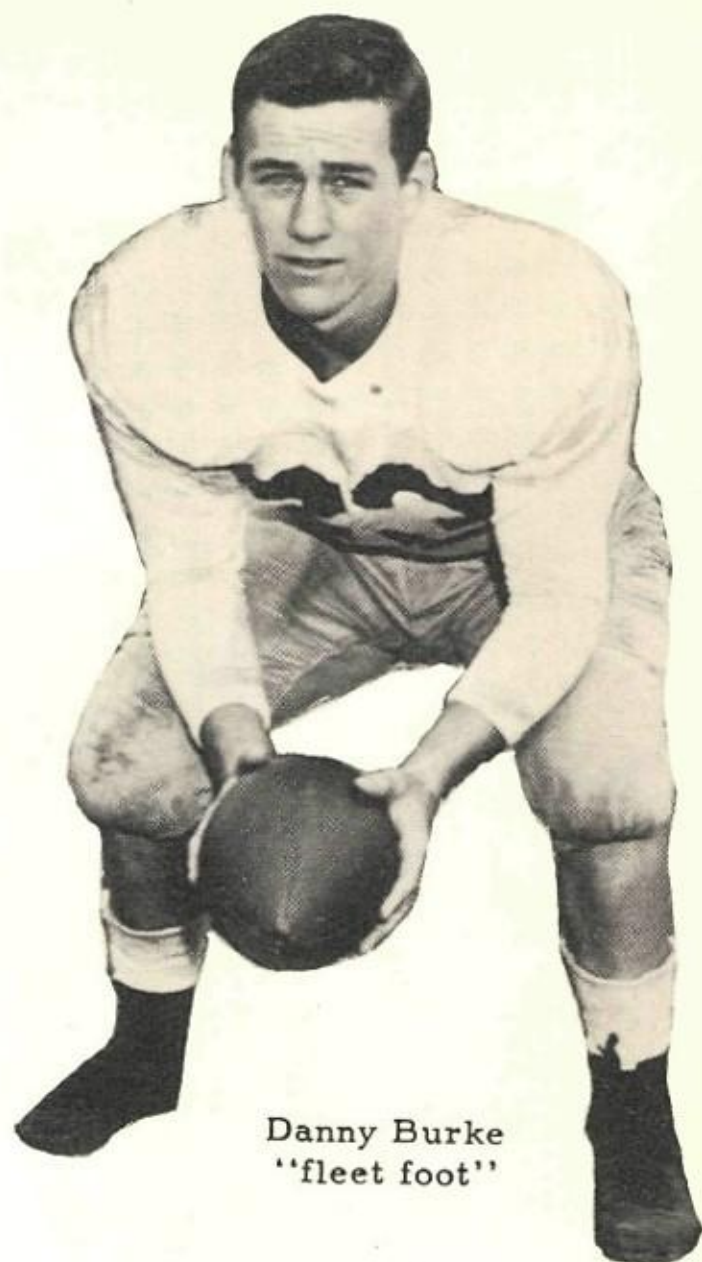

Outstanding for Austin were Durwood Watkins, Dick Van Fleet, and Mike Higgins.

AUSTIN 13--TEMPLE 12

Austin slipped past the Temple Wildcats 13-12 to take the bi-district title at House Park.

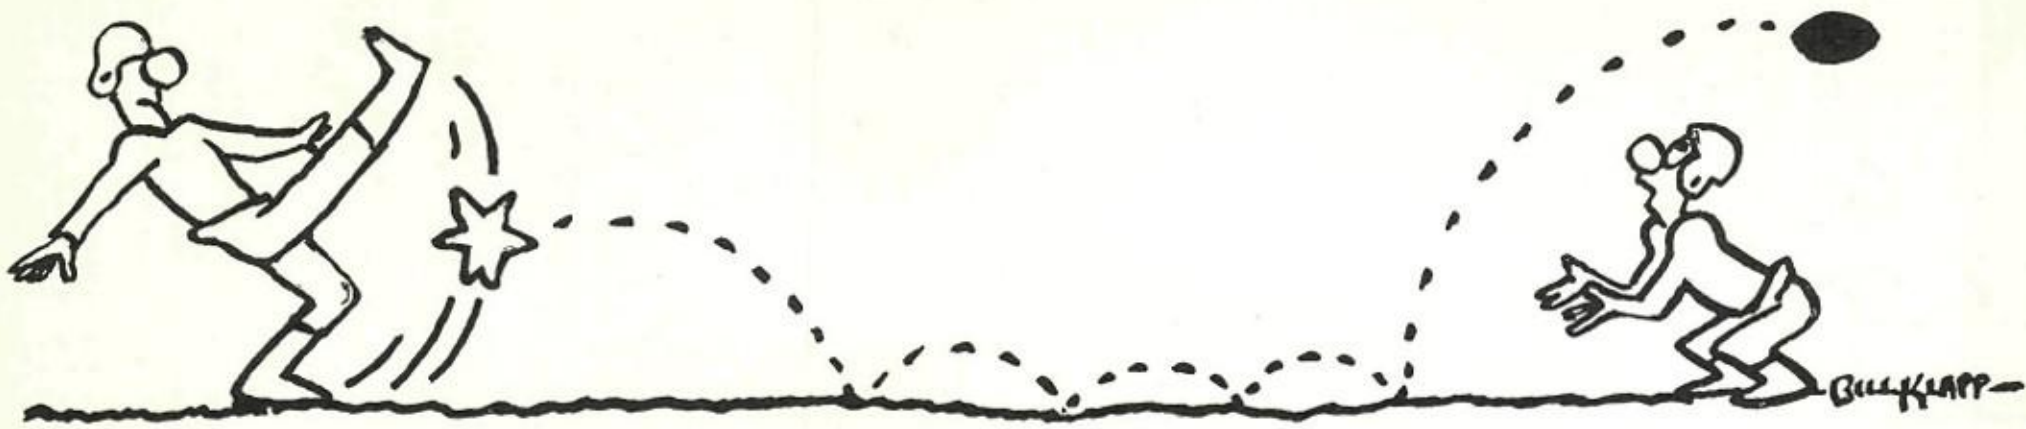

Austin's first score came in the second quarter when Rodney Williams climaxed a 45-yard drive by going over from the five yard line. At half-time the score was 6-6.

The Maroon's final score came in the third period when Austin drove 81 yards after the kick-off. Williams scored again for Austin, and Higgins kicked the winning point to make the score 13-12 for Austin.

AUSTIN 7--BAYTOWN 6

With Austin trailing by a touchdown Watkins raced 75 yards down the sideline in a third-quarter punt return which shocked 13,000 fans out of their seats in Houston's Rice Stadium. To top this off, Mike Higgins converted to give the Maroons a one point win over Baytown and a bid to the State finals.

Watkins' astounding run seemed to make a new team out of the Maroons. They stopped Baytown with two first downs from scrimmage after halftime and halted two promising Gander drives with pass interceptions--proving again that the old Maroon line is still the toughest in Texas.

Gene Harte

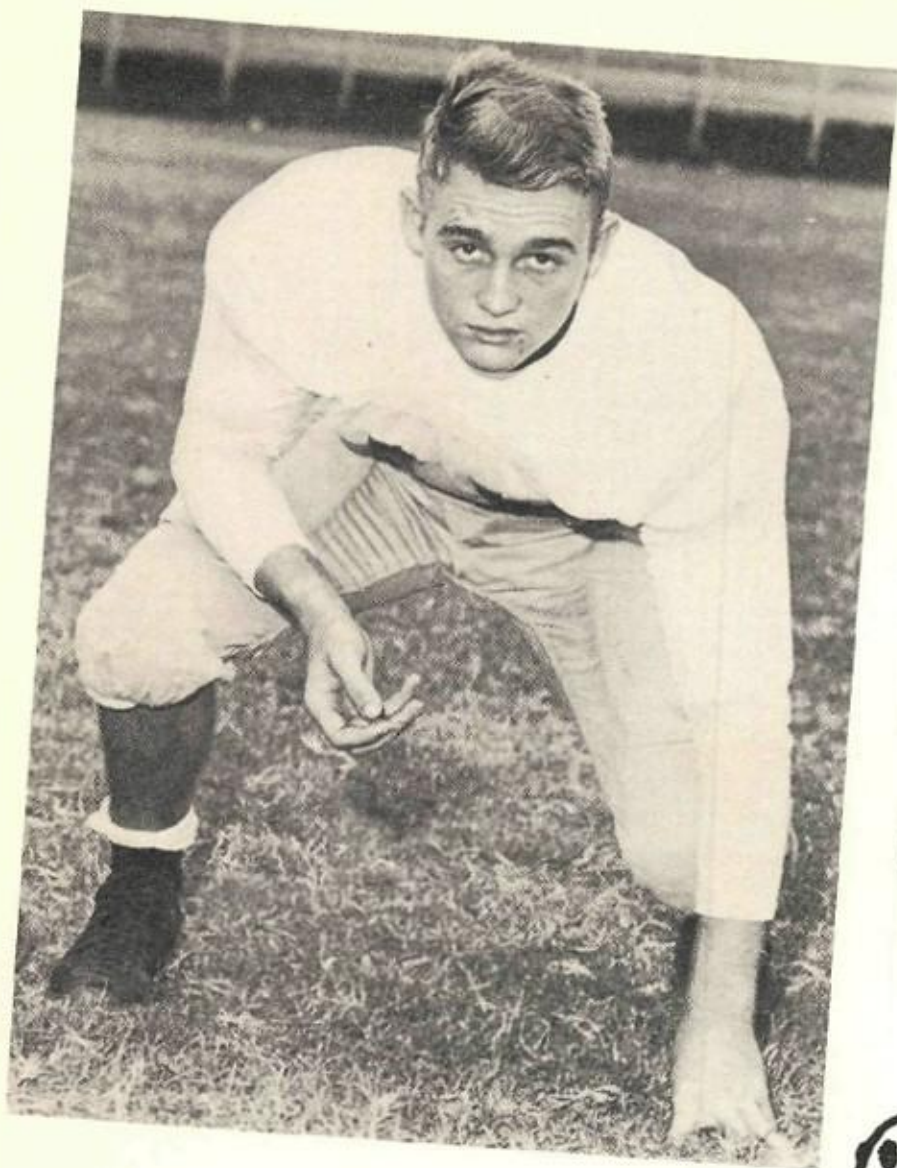

AUSTIN 13--WICHITA FALLS 34

Lady Luck just wasn't with the Maroons in their second annual attempt to defeat Wichita Falls for the high school championship of Texas. The score was Wichita Falls 34, Austin 13.

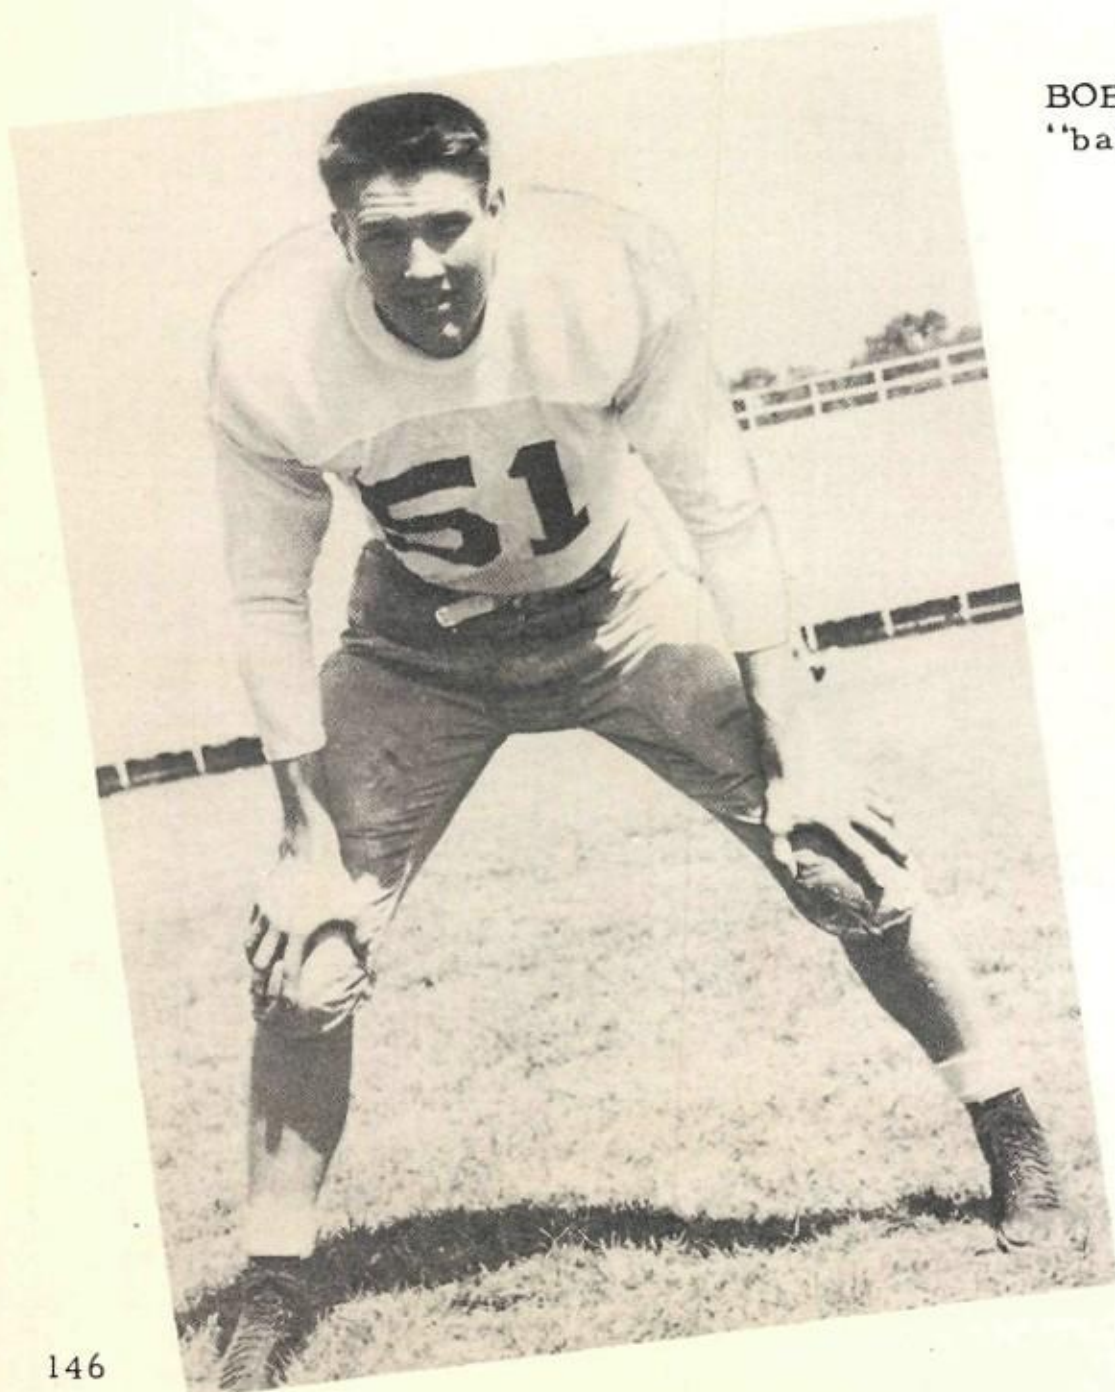

Line Backer Bobby Hailey was tough in the clutches, doing an excellent job on pass defense, and Tackle Glendon Bushong performed well--opening up, for instance, the hole through which Bradshaw sped 82 yards for the game's first touchdown. Austin's next touchdown came when Morris Nelson flipped a 39-yard touchdown pass to End Jackie Ludwick just outside the end zone.

Old Father Time ran out as the fighting Maroons tried in vain to make a comeback in the last fleeting minutes of the game.

1950-51 "C" TEAM

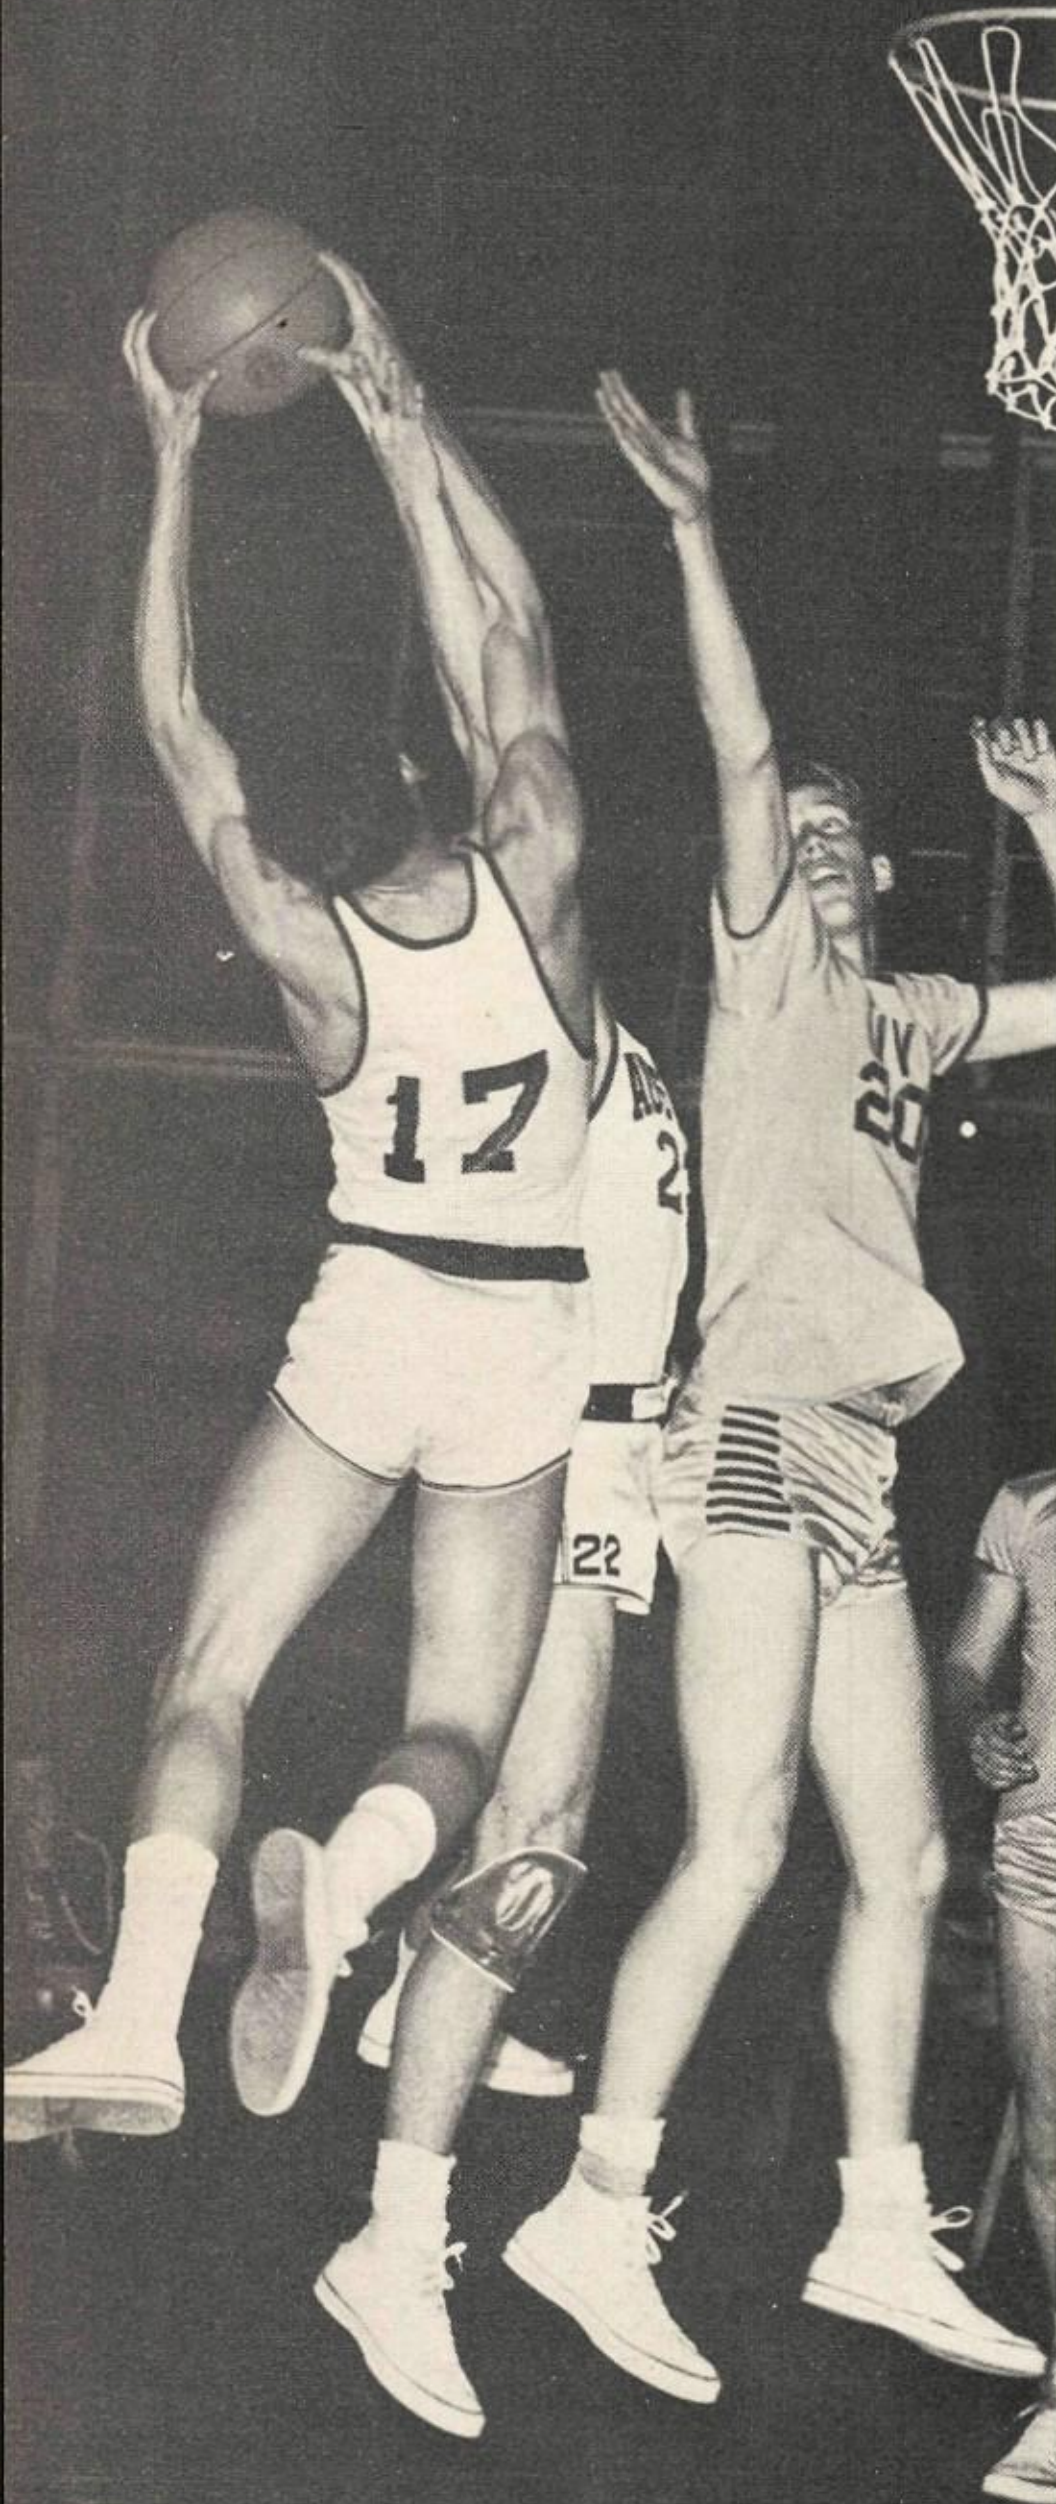

The Austin High C Team is composed only of boys who have never played high school football before. Most of them are fresh from Junior High and look forward to the day when they can wear the maroon and white uniforms for the varsity squad. The C Team schedule is made up of Junior High Schools and smaller High Schools around Austin.

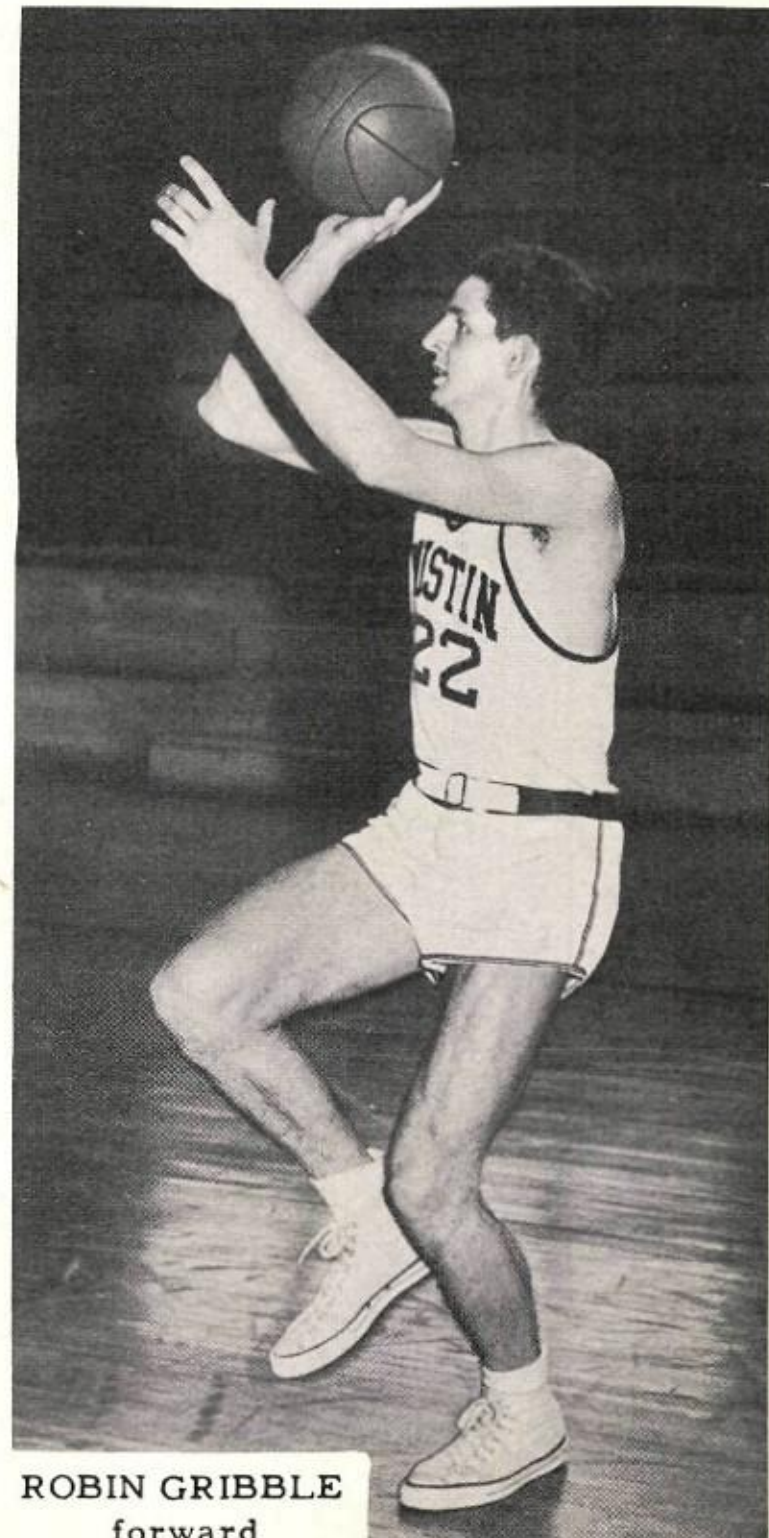

BASKETBALL

Blessed with height, speed, and experience, the Austin High basketball team in 1951 romped through district play with no defeats and took a two out of three decision over Waco in the Bi-District playoffs for a berth in the State Tournament.

In 1951 Austin had three returning lettermen, J. L. Smith, forward; Robin Gribble, forward, and Phil Miller, guard. Miller and Bill Skipping showed their ability to control the ball in the last two of the three-game series with Waco to determine the Bi-District champion.

The Maroons' first opponent in the State Meet was Highland Park of Dallas, Austin won 43-42, advanced to the Semi-finals, and by defeating the strong Borger team 35-34, got a chance at the coveted State Championship. In the final game Austin came up against the favored Lubbock Westerners. The Maroons got off to a slow start and shortly after halftime the strong Westerners had an 11-point lead. With the excellent ball handling of Phil Miller and Fred Odiorne and the fine shooting by Billy Banks and Don Scallorn, Austin managed to pull ahead by one point, but the game Westerners came back to steal the ball in the last 30 seconds and score to win the State Championship 43-42.

Johnny Cavileer took first place in both the broad jump and the 100-yard dash. He had a 21-foot-3-inch jump in the field event and ran the century in 10.2 on a slow track.

Three Austin tracksters qualified for the state meet. They were J. T. Seaholm, shot put; George Ard, high jump; and Johnny Cavileer, broad jump. Ard took second place in the high jump with 6 feet even. Cavileer picked up first place in the broad jump by setting a new state record of 23 feet-3/4 inches.

The Maroons flew to the runner-up position in the 1950 Bluebonnet Relays. Dickie Latting finished second in the 400-yard dash, while Austin's sprint relay team, consisting of Johnny Cavileer, Bob Pfennig, Harold Brumley, and Latting, raced across the finish line for first place. GOLF

Austin High's Golf team, including the four boys pictured above plus Billy Bradfield and Jimmy Dean, got off to a slow start by suffering defeats from Jefferson and Brackenridge of San Antonio.

The Maroons pulled out of it by copping 4th place in the Regional meet at Alice. The number one player for Austin was Walter Guttman, who won first place in singles at the Regional meet. To top this off, Guttman went on to tie for fourth place in the State tournament.

What started out to be a slow season for the Maroons, turned out to be very successful, thanks to the fine tutoring of Coach Kenneth Carter.

Arval Bohn was the winner of the advanced boys' intramural tennis tournament.

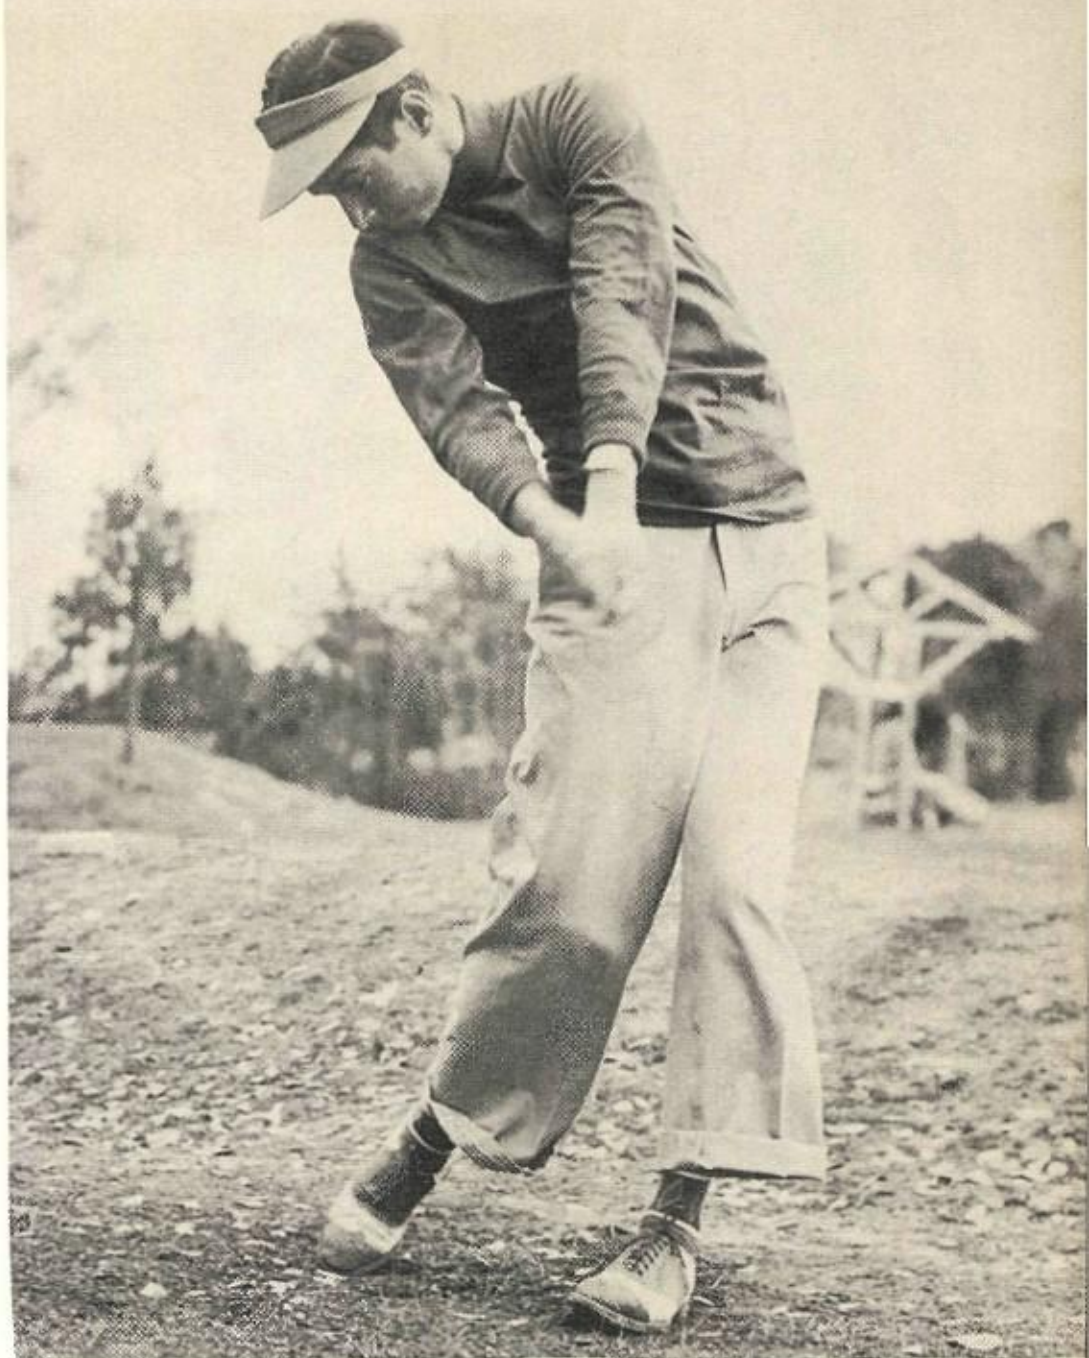

INTRAMURALS

The winning team in the girls' intramural volleyball tournament was Suzanne Shuck's team. Left to right are: (sitting) Mary Hugh Colley, Jane Lanier, (standing) Jean Catterall, Sybil Bruck, Sonya Stenzel, and Claire Yeagley.

Very few students realize that the bulk of Austin High's athletic participation is in intramurals. In a school as large as Austin High not as many students can compete in varsity Athletics as in a smaller school. Sports offered are baseball, basketball, tennis, horseshoes, and volleyball.

ACKNOWLEDGING ADVERTISERS

Holiday decorations, Fall and Spring elections, year-round campaigns, posters, and signs of all shapes, sizes, and descriptions proved beyond a doubt that the students of A.H.S. are advertising conscious.

LAURA

Gather round, you guys and gals,
And hear the tale I'm spinning,
Of platter dukes and title queens
And why they were so winning!

Laura was the mystic type,
All swathed in dreamy formals,
She shopped in Scarbrough's Sub-Deb Shop,
Won all the senior honors!

Charlie, my boy (well, you know the kind)
All hero to girls, all friend to the boys.
His confidence came from the clothes
we acclaim
In Scarbrough's Boys Shop full of joys!

Then Bill, my Bill, how the girls'd swoon,
A typical suave ladies' man.
When shopping at Scarbrough's it's easy,
Says he . . . just anybody can!

And Sue, Sweet Sue, she's everyone's pal,
Class Favorite all 4 years of school!
She'd lend girls clothes till they learned
where to Shop,
Scarbrough's Junior Shop, then, was
their rule!

Observing his daily 7 A.M. ritual, sleepy Charles Sikes carelessly nicks his ear. He's running late this morning and will have to "inhale" his breakfast.

It's 8 o'clock, and Claire Yeagley, Frank Roberts, and Betty Vernon have just enough time to gulp down a cup of coffee before going to join their friends in the auditorium.

The flash of the camera interrupts a big argument taking place in the auditorium before the 8:15 bell. Dale Fomby, Dick Giles, Bill Baldwin, Bill Enders, Danny McCafferty, and Rod Stewart are the participants in this friendly misunderstanding.

Dorothy and Bill Rountree do their weekly grocery shopping at a friendly Kash-Karry Grocery Store.

Keep School Memories Fresh with Portraits by Studer's

James Mahanay

JoAnn Roberts

Studer's is proud to have had the opportunity to serve as official portrait photographer for this year's Comet. Remember to stop in again soon for new portraits . . . for yourself, for your family, to exchange with friends to keep your picture record up to date. Remember Studer's, too, for cameras, film, and finishing . . . everything for the day-to-day snapshots that mean so much. Stop in anytime: we'll be glad to talk over your picture-taking problems, and to lend you a camera if you need one.
